Active Kids Voucher Program

What is Active Kids?

The Active Kids Program provides a discount of \$100 to parents and guardians of children enrolled in school. The \$100 can be used for registration and participation costs for sport and fitness activities. For example, the \$100 can be put towards the cost of registration at Kings Langley Soccer Football Club for your children enrolled at school.

Who is eligible to claim the \$100?

Every child (between 4.5 and 18) enrolled in school from Kindergarten to Year 12 will be eligible. This includes home-schooled children and children enrolled in secondary education via TAFE NSW.

The voucher is not means tested and will be available for each child in the family every year over the next four years.

Can the voucher be used at Kings Langley Soccer Football Club?

Yes. The voucher can be used towards the cost of registration. You will be able to select a \$100 discount as an Add On Package when registering online via MyFootballClub. You will not be able to use the voucher for other costs such as socks and shorts.

When will the program be introduced?

The voucher becomes available from 31 January 2018. Parents/guardians/carers will be able to download the voucher from an online platform run by Service NSW.

Can I register with Kings Langley Soccer Football Club before 31 January?

Yes! You will be able to register online via MyFootballClub and select the \$100 discount Add On package as part of the process. Once the program opens on 31 January, parents and caregivers will be able to obtain the voucher via Service NSW. Once the voucher code has been downloaded, simply log back in to MyFootballClub and enter the voucher details. If you experience any difficulties, please contact the club as we will happy to help sort out any issues.
