Edition 4 - Season 2013

All the way to Rio!

How good was it watching our Socceroo's solidify their spot in the next World Cup! It was a wonderful achievement for the Aussies and shows how much soccer has grown in Australia over recent years.

I recently went on a family holiday to Vanuatu and toured around some of the villages, many people in Vanuatu live very simply and don't have much but they always have a big smile and a soccer ball, you would always see the kids running around chasing a soccer ball. My son was welcomed to join in so spent some time with the local kids in a social kick of soccer, further proving that soccer is really the "world's game".

Due to the recent bad weather the season has been extended and we will also be having a Small Sided Gala Day (aka Rooball Gala day for the Under 5's through to Under 11's) please see page 3 for details.

Many players from our Open Goals teams recently participated in the Football4All gala day even though the weather was not at its best a great day was had by all, see page 4 for highlights.

Thank you to parents and players for your assistance in the canteen, BBQ duty and set-up/pack-up. Your continued help enables us to run game day more smoothly.

We are now heading towards the end of season, how times flies when you're having fun
Wishing you continued luck with your season.

Warm Regards,
KLSFC Committee

Match Reports

KINGS LANGLEY UNDER 9 KANGAROOS Vs PLUMPTON/OAKHURST UNDER 9'S

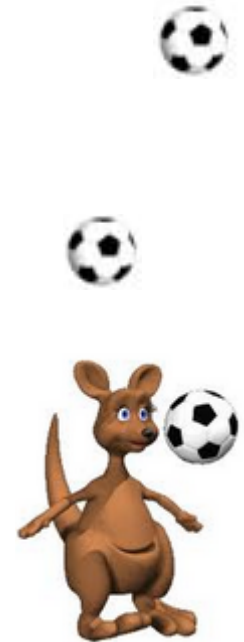

PLAYED SATURDAY 15 JUNE 2013-06-17 at Hanna Reserve Plumpton.

Player of the Match: Diljot

Encouragement Awards: Matthew and to Jason.

Match Report 1 written by Matthew (player)

The game was tough we played against Plumpton Oakhurst. I have to say they are a very good team. The result was a 1-1 draw. Our team did the best we could our goalkeeper Jason was brilliant. Our team did fantastic passing, shooting and aiming for the goal. Plumpton's goalkeeper saved 5 amazing goals off his fingertips .I shot one of those 5 and it was sort of like a cross but I was in the centre of the field. I shot and he saved it by his fingertips. Everyone that played deserved player of the match. Kobey, Mariah, Chris, Jason, Diljot, Chloe, Bianca and Hayley played awesomely as a team. What a great game!

Match Report 2 written by Mariah (player)

This week was awesome some people got hurt but other than that everyone did great. Bianca did well at attacking and shooting. This week the position I played was up front on either side in the Center. Plumpton did well too, their goalkeeper has some good moves for a goal keeper. I think we deserve a draw because we all did well 😊

Under 10 Whales vs. Premier Spurs

Date: 15/7/13

Player of the week: Jack

After 2 weeks off due to wet weather and bye's the team were itching to get back on the paddock. All players put in a hearty effort which reflected in the 6-1 score in favour of KL. Jack certainly deserved his player of the match award for his excellent effort in attack and ball passing. Sean and Matty each had a great game in goalie letting nothing slip through the cracks.

Well done to all!
