

From the Field

Round 7 Match Reports

Under 5 Kangaroos Black

Round 7 was the battle of the titan's clash against U5 White. A really good effort by all with lots of goals and some nice defence.

Under 5 Kangaroos White

The two Kings teams played off against each other this week. All players got stuck in and had a go, impressing the parents, with a bunch of goals from both sides.

Under 6 Lions

A chilly morning had the team keen to run about to keep warm, which was great to see. Our opposition had only three payers, which allowed us to take turns having a break, which was a great help to keep us going for the whole game. Fantastic effort by everyone, keep up this enthusiasm and keep having fun!

Under 6 Whales

The under 6 whales were kept on their toes this game against Minchinbury whales just scoring the winning goal to make it 4-3.

Under 7 Kangaroos

A hard-fought victory against some tough opposition in cold and wet conditions. Some great teamwork and strong defence was the highlight of the game. Well done boys!

Under 7 Lions

What a game!!!! Well played and so close to our first win, some clever saves of the ball not making it in to the other teams goal with Connor saving it with his butt as he tried to not fall over in the dirt, some clever saves by Kyle and some great leg work by Owen. Terry and Lucas I can say you are amazing at getting that ball out and away from their goals every week, Sav what can I say you are each week getting in There and really giving it a go you are well on your way to bring a great little player. Well done team you're doing a great job and what a fantastic game Saturday was!!!!

Under 7 Magpies (Red)

Great effort from the red magpies always doing the best. We didn't have a favourable score however the team never give up and did well.

Under 7 Magpies (White)

Tough game in cold wet conditions this week. This week parents noticed improvements in players taking to the other team, challenging for the ball and defending. This is a great result for us as it shows training methods coming to light in the game. Well done guys.

Under 8 Echidnas

The boys' defensive skills were put to the test in the first half, but Prospect struggled to get the ball past Luka, who displayed outstanding goalie skills. Prospect continued to keep the boys on their toes in the second half, but the boys' teamwork was no match for them. A series of well executed passes and goal shots put the boys on top.

Under 9 Lions

We played Parklea & was again successful taking away an 8-1 win! Jackson received the player of the week trophy after putting in a solid effort during both defensive & attack. Also, Jasnoor & Tarun getting a mention with Tarun scoring after a few attempts.

Under 10 Whales

Wow it was cold to the bone, windy and wet with slight drizzle throughout the game. We were 3 players down due to the flu, so the Coach was worried about working hard this week. They were all on fire without a doubt again and couldn't be happier with the effort from the whole Team. Some great kicks, defence was great Quakers Hill Tigers just could not break through the line of defence with even the mids helping the backs out, Tigers gave a great fight until the end. Himinake and Connor were on target with the goal kicking once again with some long shots too. Samer, Navdeep and Munahid couldn't get enough "get in & attack" mode which was great to see with Eyad all over the field and some of his tackling techniques was great as Eyad has a falling motion unique just to him. Anish achieved his 1st goal with such a great smile, Kaelan was working the field with some great goal assists and did so well the whole game. Mohamad took them all on and was in attack mode the whole game and some goals assists. Boys did fantastic and didn't let down even though we were 3 players down, great result Kings. Congratulations Un10 Team Whales!! So Awesome Boys! Congratulations Boys as of 14th May 2018 you have moved up 2 Divisions being Un10 Echidna's Division 3. You will be challenged however you need to focus, work together smarter not harder! Happy Birthday Wishes to Mohamad!

Under 11 Dolphins

Today was our first taste of winter as we lined up against our round 2 team opponents. We started off with a bare 9 players with Karan playing his first game in goals. The game started off very evenly matched however after the first 6-8 minutes the superior passing skills of Chris, Henry and Tyrell started to pay off. At around this time our other players arrived which assisted in ensuring that the team had fresh reserves. We were able to score a couple of goals during the first half and Quakers Hill returned the favour with the match poised evenly at half time. Joshua as always was excellent in the mid field and was a constant headache for the opposition midfielders. Travis replaced Karan in goals in the second half and Karan continued his excellent defence in the midfield until he came off injured after around 10 minutes. Reshwan pick up the slack and never stopped running after the ball. Ethan played another strong game and was ably supported by Maddie as she continued to baffle the opposition as they attempted to break our defensive line. J as always played an excellent game as our impenetrable sweeper. Brock, Joshua and Travis combined well in linking our midfield with our attackers and helped in enabling our attackers to pile on a big score. All forwards scored goals with Tyrell scoring the lions share. An excellent game as the skills learned during training were on good display today. A big thanks to Matthew how filled in as Manager and also to the parents who assisted in packing up the field.

Under 11 Kangaroos

The kids tried hard against a very good and physical Oakville but couldn't get the result they wanted.

Under 12's

After scoring only 4 goals in our first five games we get 5 in one and get beat in the last minute. Really, we are improving every week - every half and we played some great team football. We had four different players score and others who made the passes to get us into position. They had one breakaway player who we will play differently next time we meet. Great to see players cheering the rest of the team on when they are off - makes for a real team where we are all pulling together. Also thanks to Henry who filled in superbly as we had two players away. A tough loss but still we hung in and were down three times and fought back to get the equaliser. Well done.

Under 13 Girls

It was a wonderful game on the chilly Mother's Day morning. The girls played well in the first half and keeping scores at nil all. Second half the girls ran out of energy and fought hard. They conceded 5 goals.

Under 20 Girls

Unlucky to the girls for not getting a better result in their game. The 2-0 loss was no measure to how hard and well they all played. The passing up through the field was awesome and the crosses and shots on goal were relentless but luck did not favour us at all. If the girls keep up the great possession play in the next game, I am certain a better result will follow. Keep up the solid play Kings!!!

Over 35/6

On a cold and windy night, we had subs for the first time all season thanks to two new registrations (welcome Andrew and Michael to the squad). The team was competitive for most of the match, thanks to two quality goals in the first half. Injuries took their toll in the second half, and the wind caused some havoc in the later stages of the game. The match was much closer than the 4-2 score line suggested, and with the prospect of another new player or two in the coming weeks and a stronger bench, things should start looking up from here.
