

From the Field

Round 8 Match Reports

U5 Kangaroos

It was great to have the full team back again in what turned out to be an evenly matched game against the Prospect team. Loki moved the ball forward well and improved again from his game last week. Emma kicked the ball well, especially in the first half. Mikey and Lexi did some excellent cheering from the sidelines, showing all the parents how it's done.

U5 Koalas

Well the cold had set in this morning but the boys were fired up and ready to go. Playing as a team with great passing early saw Blake with a great shot find the back of the net. Frankie, Kyan and Joel-Luke all scored before the break. Jett was everywhere in the second half defending with speed and giving awesome service having a hand in Kyan's second before setting Frankie up for some more to round out the scoring. Yes folks, it was a cold morning, but these little hero's made it all worth while!

U6 Sharks

The team played well together. Passing and listening to instructions. Great team effort and enthusiasm.

U6 Wombats

Good job Wombats - good to see some long runs today and we're starting to think about passing the ball. Keep working hard and having fun!

U7/2

Another great game this weekend, with an excellent display of challenges for the ball, great defence work and some excellent passing. A couple of amazing goals scored too, showing we can finish off an attack.

U7/7

This weekend U7/7 faced the strong Ropes Crossing Development team. A tough contest fought by two formidable teams. The game kicked off, and both teams came off firing. After about 15 minutes of play, possession of the ball seemingly favoured the Ropes Crossing Team who had already scored a goal.

Tight marking by Yattila, Ryker and Amay and the intensity of defending shown by Angor, Abhir and Patrick resulted in the ball mainly being retained by Kings Langley. Angor showed extremely impressive defending. Towards the end of the first half Yattila kept pressing for a goal and finally had a breakthrough with a brilliant play to score a goal. In the second half Yattila scored further some more goals. Excellent dribbling and defending from both sides, provided a spectacle to the spectators.

U8/5

With two players sick, there was only one substitute to help give everyone a rest as they played Prospect on a cold and very windy Saturday morning. While every player worked hard on the field, Prospect was simply more organised and better placed to take advantage of the opportunities put in front of them. We need to concentrate more on staying in our positions so that we are able to quickly protect our goal or attack our opponent's goal straight away. We are doing a great job of passing to each other, and putting in our best efforts to tackle the opposition and take the ball away.

U9/1

Nothing like an early morning start on a Saturday! Our boys were still thinking of their PJ's for the first 10 minutes but once they woke up... game on!

Our defence razzled dazzled with Lucas and Mason getting in there and taking no prisoners, they were not going to let the ball get through their line. Once again Tommy and Muhammad were brilliant as goalies, showing increased skill and stubbornness in defending their goals.

Great job boys!

U9/5

Match highlight was Ryan's goal. Frankie and Jasmin played really well for their first game.

U9/6

Great game against strong opponents. Fantastic effort from Chayan and Brylee going forward. Jordan as always making a menace of himself. Great saves in goal by Lovekirat. Team is flying high.

U10/1

So great for the kids to get a win. First of the season. It was really nice to see their faces as they came off the field. They needed that morale boost. Well done Kings.

Hooray Hooray- Great Game ShootingStars, bringing all from training to the game was good to see again, your efforts in the executions was terrific. Parklea were ready for us with our ShootingStars ready too. It was cold and with an early game, everyone waiting for the whistle to blow with nerves and excitement at the same time. Wow within minutes we scored and it was a great goal. ShootingStars were out on the field to get a job done, they did it and got it done with an impressive score, our BIGGEST yet. Shout Out to Mohamad back on the field and showed all what was missing with an impressive game, Well Done Mohamad- Be Proud! Big Shout- Welcome Back Jeremy back from injury even though not 100% you had come back with a great game making impact, Well Done! ShootingStars showed good ball skills, technic and some thrilling moments that kept us all roaring on the sidelines, thank you Parents. Wind was blowing heavily and our players were just fighting to make an impact, it showed with some great goal assists, goals scored with Alan, Atif, Ismail, Mohamad, Nicholas and Himinake scoring some

great goals that hit their target including some sheer misses that would have been fantastic goals too. More communication during the game which brought the team together with being in position for taking the ball and pushing forward making sure, threat to the opposition. Parklea had a lot of pressure from ShootingStars and they put up a good fight, their Goalie was very impressive and commend the great saves that were made throughout the game, Well Done! 3 Cheers for Aiden o

U14/4

A great game - this was against the top of the table and we had most of the play and led until 5 minutes.

Indi and Jamie were tenacious as always and created a number of chances - including both goals which came from them keeping the ball in our end. The players who actually hit the back of the net were both the first time scorers which was great. The first was Eva who took a penalty and nailed it. The second was another great strike by Leah who is getting used to playing forward - from about 20 meters out into the top left corner.

Ben and Akshat were strong again at the back with Hayden back after two weeks and Matilda getting more into shape - the player who really stood out was Dale who we asked to move with the strongest player in the comp and keep him under control which he did. It meant he was out of position but did not complain and neutralised their main attacker.

Great job team.

A night that just wasn't meant to be. The team was looking to continue to build on the momentum of a win and a draw against the early table leaders, and start challenging for a higher position on the table. The squad was not at full strength due to work commitments and walking wounded, but Doonside/Kings were able to take the lead early doors. We weathered some

very strong attacks on goal, and survived long enough to fight back and go 2-0 up. Quakers Hill kept pushing back, and was able to drag back first one, then two, then three goals to be in the lead by midway through the second half. Injuries to key players had the royal blues on the back foot for a while, but we kept pushing forward. Looking our best when we kept the ball on the deck and calmly moved it around. Some clever passing lead to an equaliser and we were looking good to at least jag a point from the contest.

The last 10 minutes of the game were frantic, as both teams chased a winning goal. In the dying minutes, pressure from Quakers Hill was too much in the moment and tired legs were unable to repel the final attack. The hard work from the boys deserved at least a point, but football can be cruel.
