U5 Kookaburras vs Prospect United SC

Good team work. Team is improving greatly on their kicking skills

Player of the Match: Aiden

Encouragement Award: Naksh

U6 Kookaburras vs Blacktown Workers FC

Great team effort, probably our best game yet. Great defensive efforts from Evan and Ayan, 2 goals each for Ryan and Jay. Jay with a number of close shots that didn't go in. Great to see the team starting to spread out in defence and looking to pass.

Player of the Match: Jay

To all the Mums out there that brave the cold, the wet, the midweek training session and missed Saturday sleep ins we salute you, Happy Mothers Day!

Round 6 came about quickly and the boys are warming into the season nicely. Nate had complete control at the back mopping up any loose ball and quickly turning in into an attacking opportunity. Frankie was beneficiary of one of these moments with a great run and shot from Nate that came off the post with Frankie "Johnny on the spot" to coolly slot home for the lead. Shreyansh, Leon and Mason combined nicely moving the ball forward and we were unlucky not to extend the advantage. Samuel and Ethan both saw plenty of action in the first half and were giving some great passes to get us into attacking positions as well as cleaning up and assisting in defence. Nate doubled the advantage finally just before halftime after a nice pass from Liam before beating a defender and blasting it into the roof of the net.

Newbury were able to close the gap after half time but the boys never lost focus, resetting and chasing the game to put it to bed. Our third goal saw everyone on the field get a touch from Ethan in goals, Liam to Matteo who passed it out wide, Blake who had the time to compose himself before a beautiful cross to the far post which saw Frankie finish. An outstanding team performance and one we should all be very proud of.

Congratulations.

U8/7 vs Doonside Hawks SC

A tough game today for Kings Langley. Every player used up all their energy, so we should be proud. We faced a team with some talented

players, but more so it was their good positional play near the goals that got them their haul.

Well done to Dan who was a star at goalie in the first half and ran very well in attack in the second. And a shout out to Myles with the Encouragement Award, who was very involved and who played his best game yet.

Another game that unfortunately didn't go our way, conceding a couple in the first half, and another shortly into the second. Improvement is definitely required around defending against the opposition. Not so much just the back 3, but across all positions and something we'll be working on at training.

We did have some great positives from the game. While the other team did find their way through, we cleaned up a number of attempts on goal and kept their score down. There were also amazing runs made from ourselves with a few amazing shots on goal, only just missing, and one finally put away by Liam after an amazing pass from Obie, right to him.

I'll be looking at setting up more drills at training to work on through balls and really allow us to have more chances at scoring.

As much as it looks like we're not doing well this season so far, that's far from the case. Just means we have some things to work on. The passing is looking better and the formation is looking pretty good most of the time. Heads up team, and more focusing at training to get those skills up!

U12/1 vs Marsden Park Galaxy FC

Kings Langley SFC 2 - Marsden Park Galaxy FC 0

A fantastic game by the entire team today. They really clicked and played so hard for each other on the paddock. An amazing performance in defence and in goals gave us our 1st clean sheet of the season.

Awesome passing and dribbling led to some great shots on goal, testing Marsden Park's defences continuously through the match. And an eagerness to contest every ball showing that in Div 1 you HAVE to just keep trying from kickoff to the final whistle and any lapse in concentration becomes costly very quickly.

Well done team on your 1st win of the season.

Special thanks to Jaxon from the U10/2's for stepping in to help today.

Nice to finally get that win under our belt. Even nicer to do it against a team that was at the other end of the table. We all knew it was just a matter of a time in a highly competitive division.

Not much to report about the match itself. The Manager was sick, and the resulting absence of the post-match esky became the main focus of the evening's efforts.
