U6 Kookaburras vs Glenwood Redbacks SC

Great effort from the team. We went away a bit in the second half and let them close the gap but great effort as always from Jai with the goals to keep us ahead. Special mention for Ayan with his first goal of the season and the player of the week award. Ryan with 1 goal, Patrick with great clearance kicks and great ground coverage from Alex rounded out the effort.

Another big hearted effort today from the 8/7's in a game between two evenly matched sides. A very strong performance today from Brandon, our player of the match - strong as always in defence but today showing some good running and passing into the opponents half. Jahkai, Lucas and Sophia all had some excellent efforts on goal while RJ once again made some great saves as goalie. Dan, Esther, Gabe and Adelaide chased hard and continue to grow in their skills and understanding of the game. Well done Kings!

U8/8 vs Glenwood Redbacks SC

This performance was really entertaining to watch and was a good effort having no substitutes. It was a really good team effort with everyone giving it their all, as well as some great passing and goals.

U9/2 vs Marayong FC

It was a cold early start but Kings were up to the challenge against Marayong.

The first half the combination between Connor, Kyan and Jeremy was great, keeping the ball in their half of the field. The second half as legs were tired the mid and back line marked and chased hard. The whole team put in big effort and played well!

U10/2 vs Rooty Hill FC

Our second rematch of the season this week, this time we managed to come out on top after a loss the first time around.

We were very strong defensively all game, thanks to John, Xander and Brayden holding the back line for most of the game. For our second week in a row, we maintain a streak of no goals against. Some amazing saves by Amay in the first half, including a penalty, and Aarin in the second, with a great high save off a free kick, really kept that position strong.

The only goal of the game came 11 minutes in. Liam taking the ball down the side, playing a few touches off Jaxon Z before crossing it in to Lincoln to finish it off.

Not only do we have great momentum in the wins, but also with no goals conceded.

Hopefully we can keep this effort up for the rest of the season as it would be an awesome way to finish.

The flu currently doing the rounds forced some changes in positions before the match. The team demonstrated how flexible and adaptable they can be, and adjusted to meet the new conditions. With numbers short, we borrowed a player from U10 (thanks Marshall!), and he was immediately made to feel welcome and part of the team.

From the kick off Kings were well organised from the back right through to the front line. We fought hard for the ball in the middle of the field and made Marsden Park work for the ball and earn their shots on goal. There were some unlucky bounces of the ball, but everyone kept their heads up and the effort from everyone was high right up to half time.

A few tweaks to positions in the second half and we came out strong, looking to get some goals of our own. Marsden Park used their quicker players to catch us on the counter attack a couple of times. They didn't have it all their own way as we also moved the ball wide and then through the middle to put our central striker clear on to goal on a number of occasions.

The final result of this game doesn't reflect how well we played, or how closely matched the two teams were for the majority of the game. A

great effort from everyone, and hopefully more of the same high intensity next week.

A happy return to form after a lean couple of weeks.

Quakers Hill arrived on the night with just 9 players ready to take the field. This gave us the opportunity to slow down play, get comfortable

with possession and ensure that our passes were accurate and well weighted. Quakers did push hard early and we were under pressure on occasion in the first half. The lack of numbers and players carrying injuries took its toll. They began to tire and as a consequence compress in defence with injured players staying up front. We continued to move the ball around well and take advantage of the extra space, with inevitable results.

A welcome win and an excellent opportunity to start playing ourselves back into form.
