

Weekly Round Up

Round 1, 2025

[Wonder Coffee Roasters](#)

U6 Sharks vs Riverstone Schofields

Not provided

U7/4 vs Lourdes FC

Despite some chaotic training sessions the team really came together during the game. Everyone handled the step up to a bigger field well, running for the entire game with no complaints.

Already there was some glimpses of where each player excelled. Whether that was always looking for a goal or hanging back and helping protect our goal. As the season goes on we will continue to foster these preferences and work on our positional play.

Player of the Match: Christian

Encouragement Award: Jessica

U8/6 vs Parklea SFC

Kings Langley u8 played so well together in the hot weather. Unfortunately the parklea side didn't end up with any goals but the u8 gave them a cheer at the end of the game.

Player of the Match: Dale

Encouragement Award: Mason

U8/3 vs Doonside Hawks

Great effort for 1st official game. Team learnt the importance of defence of home goal, and some fantastic passes from our guys.

Some players strengths are becoming apparent, we will start assigning some more permanent positions at training for defence/strike. Goalies did great job with some beautiful saves.

Player of the Match: Ryan

Encouragement Award: James

U9/8 vs Lourdes FC

Proudly sponsored by MDH Medical

Emma did amazing in goals today saving some great shots. Aryana scored the first game of the season and was a great goal. The team played so well and passed the ball a lot and defended well. Fantastic teamwork and a great game to watch.

Player of the Match: Emma

Encouragement Award: Aryana

U10/6 vs Parklea SFC

Proudly sponsored by MJR Transport & RIS Safety

Good sportsmanship all round, a little extra shoving from the opposition towards the end of the game. Only one double small injury incident with same side players collecting each others ankles during a 4 way struggle for the ball. That aside it was a good game.

Player of the Match: Narendra
Encouragement Award: Allyah

U10/5 vs Glenwood Redbacks Black

Proudly sponsored by Saferway

U10/2 vs Newbury Bulls SC RED

Proudly sponsored by Mauri

Great to have football back. We started strong creating the best of the early chances but had nothing to show for it on the scoreboard. When momentum swung, it swung in a big way with Newbury making the most of their opportunities scoring not once but twice direct from a corner. We fought back and pressed hard, but to no avail.

Moment of the match came midway through the first half with Newbury breaking and away on goal, Ethan in goals came off his line and made a great initial save but as the ball spilled away and with the Bulls striker having an open goal to aim at, Mason through pure determination and heart, never quit and managed to turn it away for a corner.

From there the game was very even up until half time and throughout the second half as well. Aiden and Omar both had a great hit out after being late inclusions to the squad just before the start of the season. Even when results and games don't go as planned, there are learnings to be had. Very proud of the boys today, first round jitters are out of the way, now we can focus on what comes next.

Player of the Match: Aiden

Encouragement Award: Mason

U11/6 vs Ropes Crossing Strikers White

Our Under 11s hit the pitch today full of energy and enthusiasm! While the scoreboard wasn't in our favour this time, the teamwork, listening skills, and effort were top-tier – seriously, if they cleaned their rooms like they followed instructions today, parents everywhere would be cheering!

They passed, they hustled! A shout-out to Krit our Man of the Match, who brought the hustle and the heart. With this kind of teamwork, 2025 is bright!

Player of the Match: Krit

Encouragement Award: Shaurya

U11/1 vs Marsden Park FC

Not provided

U12/6 vs Marsden Park FC

Kings Langley SFC 3 - Marsden Park FC 0

Our first match of the season and after only one training night we had some fun sticking to our positions. Everyone played well as a team and put their bodies on the line as the opposition got frustrated as the game wore on. Some good pressure by the forwards and solid defense and blocking led to a decisive victory on a warm afternoon.

Player of the Match: Kiann

Encouragement Award: Adam

U12/3 vs Glenwood Redbacks

Kings Langley SFC 9 - Glenwood Redbacks 0

We were fortunate to have gotten off to a flying start this year with a very convincing win over Glenwood. The training over the past month has paid off, with a lot of those same techniques on show, along with a few I am pretty sure were not taught by me.

After a few minutes into the game, we fired our first shot, but without reward. It took until just after the 5th minute when Seb managed to put the first one past the keeper. Glenwood replied with shots of their own, parried away by Brayden for a corner, then expertly cleared shortly after. Our next goal came off a corner, with Liam and Aarin being subbed on at that stop in play. Liam put a long cross in to just beyond the back post where Aarin one-touched it in to the net to put us 2 points clear after 10 minutes.

The 3rd and 4th came 5 and 7 minutes later from Seb with some assistance from Heath in the midfield.

Going back on at half time, I was less concerned with goals, and more with coaching the team in using the field more effectively to maintain possession. We did this pretty well, with most of the team having played

a season on the full-size last year. Really amazing to see that style of play emerging so early in the season.

A second-half standout (and I'm trying not to let my dad-bias get the better of me here), was a sideline run from Liam, who pulled off a move I'm sure I didn't teach at training to leave the opposing winger behind and confused, before cutting across past another defender, and sliding past a third before slotting it in the bottom corner.

All in all, an amazing start to the season. I'm very sure we'll have our work cut out for us against some of the other teams coming up, so we have to not get too complacent here. Be happy with the win - but training's only just getting started!

Player of the Match: Aarin

Encouragement Award: Cooper

U13/5 vs Town Rangers FC

Kings Langley SFC 13 - Town Rangers FC 0

After a good pre-season, everyone was very excited to get Round 1 underway. It was a good experience for the team to play a game on a synthetic pitch at the well-maintained ground at Town Rangers, and it won't be a game they will soon forget.

Lining up against a Town Rangers squad that only started with 7 players meant a positive result was always the most likely outcome. While the game was soon put beyond the reach of the opposition, Kings continued to play a controlled and measured game. When asked to focus more on possession and movement, their passing game improved considerably, and there were a lot of strong supportive runs off the ball.

To Rangers' credit, they never stopped fighting, and had a number of good quality attempts on goal in the first half. In the second half they defended with a lot of spirit and determination, demonstrating how tough an opponent they will be with a full squad on the pitch.

Not all games will be this easy, and we will need to remain focused for Round 2.

Special mentions go to Addi as Player of the Match, who showed great composure under pressure with a high number of through balls and good passes to the feet of other players while under pressure, and to Layla with 4 goals for the match.

Player of the Match: Addi

U14/3 vs Marsden Park FC

Kings Langley SFC 3 - Marsden Park FC 0

1st round of the season and we were met with perfect weather to start the year . And start the year did the U14's against Marsden Park with a dominant win.

Many familiar faces and some new players didn't stop the team from getting off to a solid start today with some outstanding defense, sizzling attack and great communication.

Defending everything they threw at us with speed and ferocity gave us a good chance for a clean sheet and that was achieved!

Our Attack had many players in support positions offering good opportunities to score. Our 2nd and 3rd efforts helping make the difference and the Never Give Up attitude that we so proudly strive to achieve at Kings Langley sang proud today.

Well done team on the 3-0 win and what an exciting start to the season.

Player of the Match: CK

Encouragement Award: Dylan

U16/3 vs Town Rangers FC

Kings Langley SFC 2 - Town Rangers FC 5

O35/5 vs Parklea SFC Blue

Kings Langley SFC 4 - Parklea SFC Blue 1

It's always nice to start the season strong.

Our numbers were down on last season, having lost a few key players in the off-season. However, the transfer market was hot and we were lucky to sign up some new talent in the off-season. With a short pre-season under our belt, it was time put down a marker and get the season started.

The game started slowly, but we soon started to assert dominance over our traditional rivals. While we didn't have it entirely our own way, we held majority of possession and looked more threatening on goal. Parklea had some speedy and skilful players in attack, but our defence was able to consistently shut them down. Kings took charge in the midfield, and our advantage there enabled the pressure to be piled on up front. Soon enough, a goal was the reward, and the net rippled twice more to see the Kings go 3-0 up into the half time break.

With a reminder for everyone to keep the ball on the ground and to pass to feet, the second half started. We were caught napping very early in the second half, and Parklea quickly pegged one back. This goal sparked some life into the opposition, and they continued to push hard for more. We regrouped, and put more effort into retaining possession through moving the ball around to feet. The extra work paid off, and Parklea never really looked like getting back into the game after that. Another goal took the game out of their reach, and was just reward for the efforts.
