

# Weekly Round Up

## Round 2, 2025

[Wonder Coffee Roasters](#)

## U6 Sharks vs Prospect United SC

Not provided

## U7/4 vs Prospect United SC Blue

Everyone played well in a tough match against a larger, physical team on a hot day.

The first half was lots of defence but Eesa was solid in goals, even stopping a penalty after a handball in the box. Even with all the defending we managed to score first after a quick counter attack from Jack with Teddy slotting the goal. Unfortunately Prospect managed to equalise just before half time.

The second half started well with Wolf putting it through a small gap between the keeper and post. Prospect fought back again as everyone started getting a bit tired.

Huge effort from everyone today.

**Player of the Match:** Eesa

**Encouragement Award:** Teddy

## U8/6 vs Quakers Hill Tigers

Started off well while keeping our formation. Great defending done by all players. We walked away after a great game that has been in the making for a long time. Great job team.

**Player of the Match:** N/A

**Encouragement Award:** N/A

## U8/3 vs Riverstone Schofields

Tough game for Kings, opposition team very skilful and seasoned. Our team did not give up until the end and demonstrated the value of playing in positions and some brilliant defence work.

Some great passes and ball steals as well

**Player of the Match:** Sebastian

**Encouragement Award:** Toby

## U9/8 vs Marsden Park FC Green

Proudly sponsored by MDH Medical

Another great game played by all. Arya scored her 2nd goal. Wondering if she is going to score a goal each game. Athena did well as goalie in the first half with Nana jumping in at the beginning of the 2nd half, however we needed him out in the field, and we put Athena back in goals and Nana did us proud and scored just before the full-time whistle went. Andrew did a great deal of running and is really getting a hang of following the ball after defending. As usual Tiana saved many a goal defending at the back with Alyssa backing her up on many an occasion. The team really played well and are starting to pass the ball well.

**Player of the Match:** Athena

**Encouragement Award:** Nana

## U10/6 vs Polonia Rams FC

Proudly sponsored by MJR Transport & RIS Safety

Wasn't a bad game, the heat got to everyone and both sides had some unlucky calls.

**Player of the Match:** Evie

**Encouragement Award:** Sebastian

## U10/5 vs Doonside Hawks

Proudly sponsored by Saferway

This week's game was a really tough one. We were up against a much more experienced team who really dominated possession. All the kids tried their very best and were completely exhausted by the end of the game!

Encouragement award this week went to Payton who really improved her positioning on the field.

Player of the week went to Mikey who played well in the first half, and had an outstanding second half in goals. The other team had what felt like about 50 shots on goal but he managed to stop most of them. Even after stopping one with his face he got back up and kept going.

Well done team!

**Player of the Match:** Mikey

**Encouragement Award:** Payton

## U10/2 vs Marsden Park FC Black

Proudly sponsored by Mauri

Just another day in paradise and another fast start on a warm April morning. Creating some quality early chances and even though we weren't able to capitalise, you could tell the breakthrough was coming. It took a set piece to eventually break the deadlock with Ezra's corner making its way to the back post for an easy tap in from Nate. Confidence after that was high and after some great build up, stringing 4 and 5 passes together, Nate found himself in space and doubled the advantage just before the break. Second half saw a much-improved Marsden Park looking dangerous on the counter. Ethan was strong in goals making crucial saves to ensure we were able to see it out in warm conditions. Great team effort today, a very proud coach on the sidelines. Well Done Lads!

**Player of the Match:** Ethan

**Encouragement Award:** Ezra

## U11/6 vs Lourdes FC

What a game! Our team hit the ground running with a cracking start, scoring within the first five minutes and setting the tone early. While the opposition fought back with two goals, our players regrouped at halftime and gave it everything to turn things around. Their effort to stay positive and push for a comeback was nothing short of inspiring. Our goalie truly stole the show—channeling his inner Superman and earning a well-deserved Man of the Match. Communication on the field is getting better every week, and as coach, I couldn't be prouder of the determination and growth shown today.

**Player of the Match:** Julian

**Encouragement Award:** Malakai

## U11/1 vs Glenwood Redbacks

Not provided

## U12/6 vs Eastern Creek Pioneer SC

### **Kings Langley SFC 7 - Eastern Creek Pioneer SC 1**

We held our positions well this week and were able to have some commanding time in the opposition end of the field where Adam and Ali were able to put away a few goals. Our defense did a great job of holding them when the opposition managed to sneak past the mids and we only conceded one goal. The team played well together and everyone is finding the positions that they excel in.

**Player of the Match:** Ali

**Encouragement Award:** Zachery

## U12/3 vs Doonside Hawks

### **Kings Langley SFC 1 - Doonside Hawks 1**

This week's game was a very even match up, as the 1-1 score suggests. Much of the result goes to the defenders (Xander, Brayden and Amai) who were on point the entire game to shut down shots on goal, push the ball away, clear it out - you name it, they did it! To make it even more impressive, they did it without using the bench!

Our attacking game was equally thwarted by Doonside's defenders. We were fairly even from a pace and skill perspective, and that made it hard to get on top of them. Our use of the very wide field there was amazing - a lot of old habits from last year.

The first half was both amazing and frustrating. Despite some shots from Doonside, none of them were really on target. We also found it hard to get any shots off at all, let alone on target. Just before half time when I was prepared to give a 0-0 talk, Jaxon managed to put a ball across the face of Doonside's goal to find Seb who made sure the ball was put away. With only 30 seconds left to run down, we went into the half time break instead with a 1-0 lead.

The second half started much the same as the first, although now we had the pressure of trying to hold on, and hopefully extend that 1 goal lead. This half Doonside's shots were on target, forcing Aarin to make some saves. We also had more shots on too, although we still couldn't get a second one through. With less than 10 minutes to go, Doonside managed to equalise the game with a lot of pressure on the back line and a strong man-to-man passing game to bypass our midfield.

Unfortunately at this point our heads dropped a little and some of the focus left us. We managed some additional shots on goal in the last 5 minutes, but unfortunately they fell just short.

A draw is still a good way to maintain an undefeated streak 2 games in. We're holding 2nd position on the ladder, which is a strong start to the season. We have some challenging games coming up, so we'll be working hard to make sure we're ready for them!

**Player of the Match:** Xander

**Encouragement Award:** Brayden

## U13/5 vs Workers FC

### **Kings Langley SFC 1 - Workers FC 3**

Kicking off in the middle of an unseasonably warm April day is never ideal in footballing terms. The heat and the humidity made it difficult to sustain a high energy game, particularly with only one player on the bench in the first half and none in the second.

Having said that, the conditions were the same for both teams. Workers demonstrated a greater desire for the ball, and were more motivated to play together as a team, ensuring they always had at least two or three players available in support of the player with the ball. In contrast, we found ourselves walking a lot more than we should have been, surrendering large parts of the midfield to the opposition. There were plenty of great individual moments, but the overall performance was disjointed, leaving the team unable to capitalise on the gains they made. Easter break gives everyone a chance to forget about this game and focus on what needs to be done in the weeks ahead.

Special mention to Aislin as Player of the Match. Aislin endured sitting on the bench at the start of the game while I gave her special instructions about positioning, passing, and fighting for the ball when the other team has it. Aislin understood the assignment perfectly, and put in an outstanding performance that incorporated all I asked of her and more.

**Player of the Match:** Aislin

**Encouragement Award:** N/A

## U14/3 vs Marayong FC

### **Kings Langley SFC 1 - Marayong FC 1**

A thrilling encounter today against Marayong who always have a top team in the competition.

With only 1 player on the bench on a hot day the troops ran themselves ragged both in attack and in defense.

Lightning speed in Defense and Attack , we managed to shut down their fastest strikers for the majority of the game.

But the Efforts of our keeper made the difference with today's result . The best save by any keeper I've coached in 6 years and another cracking effort in the final 10 seconds to secure a draw.

A super effort on the field and the boys are training hard and the results can be seen on Saturdays so far.

We have a motto as coaches and it goes “ A draw is as good as a win because it's not a loss“.

Enjoy the Easter break and come back ready for round 3.

**Player of the Match:** Lucas

**Encouragement Award:** Kayden

## U16/3 vs Parklea SFC

### **Kings Langley SFC 3 - Parklea SFC 3**

Not provided

## O35/5 vs Workers FC

### **Kings Langley SFC 1 - Workers FC 1**

This was a tough game between two teams that were as evenly matched as the score suggests. The two teams have very different styles of play. We looked most threatening when we worked the ball around and attacked on the wings. Workers had a fast and skilful target man, and their main strategy was to move it through the middle as fast as they could to hit a longer ball into space for him to run on to.

Both teams had their chances to take the game out of reach, but we walked off the field feeling like this draw was a fair result. Hopefully the break over Easter will give those players already nursing minor injuries a chance to recover and come back strong.
