

Weekly Round Up

Round 4, 2025

[Wonder Coffee Roasters](#)

U6 Sharks vs Newbury Bulls FC

Playing at Lynwood Park this Saturday has left me nothing but speechless. I am extremely proud of the team this week, we showed today just how fun football can really be which is all the parents and I can ask for. Everyone did fantastic.

Player of the Match: Hussein

Encouragement Award: Riley

U7/4 vs St Patricks SC

We started the game with a contender for quickest goal of the year, with Christian scoring within the first 10 seconds of the game. Thoughts of a blow out score were quickly discarded as St.Pats regrouped and gave us a challenging game. Some good goals today with plenty of effort by everyone following the ball in to get any blocked shots.

Player of the Match: Jack

Encouragement Award: Jessica

U8/6 vs Marsden Park FC

What an outstanding game from our kings. Their defence and attack is getting better with each game. Can't wait to see what next week brings.

Player of the Match: Riccardo

Encouragement Award: Zac

U8/3 vs Parklea SFC

The teams were fairly evenly matched but we were able to continue the feeling from last week. It's pleasing to see our confidence and team work building with every game.

The opposition defence was solid but we managed to put together a few passes to avoid tackles, keep possession, then slip through the gaps to take shots at goal. A great goal came from new player Ismaeel who only joined us for the first time this week.

While we still need to improve our focus on keeping to our positions, we were able to get back to quickly to defend when the ball was handed over. Some good saves by the keepers kept us in the game.

Well done Kings! You had a great match.

Player of the Match: Leo

Encouragement Award: Giosuè

U9/8 vs Marsden Park FC

Proudly sponsored by MDH Medical

A great nail biting game with the crowds going wild. So much enthusiasm from the players and spectators. Great two goals scored by Nana with the support of his team mates. The kids held their own for a while and then the other team scored. The kids didn't get discouraged and Arya scored. Our defence was strong and we had a couple of shots for goals but the other teams defence was strong also. With only minutes to go the other teams defence snuck in a goal. Our team ran straight back to halfway to kick off not giving up until the whistle went. It was a tough decision to hand out Player of the Match and the Encouragement award as every player gave it their all. They did this with only 1 reserve due to 2 of our team mates unable to make the game. Well done to all the kids and a special thanks to all the parents for their excitement and enthusiasm.

Player of the Match: Andrew

Encouragement Award: Sarah

U10/6 vs Marsden Park FC

Slightly better game this week if a little rough!

Lots of bumps and bruises but all the kids kept going and tried their best. Well done team.

Player of the Match: Zac

Encouragement Award: Daniel

U10/2 vs Quakers Hill Juniors SC

Proudly sponsored by Mauri

What a way to start the weekend.

A very competitive opening to the game with both sides having an equal share of possession. First big chance of the game fell to Juniors, Ethan, solid as a rock in goals, pulled off a great save down to his right.

We then started to use the width to great effect and came close to taking the lead. It took a great cut ball across the box from Nate to finally unlock the defense, with Frankie the benefactor. From there, our midfield showed class and patience to dominate and control the game.

Ezra opened his account for the season with a great finish from outside the box. Juniors were good on the counter, but a backline of Mason, Matteo and Samuel always had the upper hand.

Aiden, tenacious as always, won the ball high up the field and knocked in another great cross for Frankie's brace and the game was all but over as a contest. Another strong performance from the first to the last whistle, outstanding lads, bravo!

Player of the Match: Nate

Encouragement Award: Mason

U11/6 vs Town Rangers FC

It was one of those weeks where the scoreboard didn't reflect the heart on the field. The team gave it everything they had, but things didn't quite go our way. They ran the full game with no subs, which meant no breaks and plenty of grit.

A huge shoutout to Seb, who was nothing short of a wall in goals—pulling off some incredible saves under serious pressure. He absolutely earned Player of the Match.

And a special round of applause for Cassius, who received the Encouragement Award. Despite needing to come off for insulin and pushing through dangerously low levels, he chose to play on—simply because his team had no one else to sub in. That's dedication you can't teach.

While the win slipped away, the resilience and heart these players showed was second to none. We're proud of every single one of them.

Player of the Match: Sebastian

Encouragement Award: Cassius

U11/1 vs Marsden Park FC

U12/6 vs Workers FC

Kings Langley SFC 1 - Workers FC 3

A hard fought game with lots of contact, and quite a few bumps and bruises. But kings played clean and together and you can't ask for more than that

Player of the Match: Adam

Encouragement Award: Jess

U12/3 vs Polonia Ram SC

Kings Langley SFC 10 - Polonia Ram SC 1

This was one of those games where when it's clear you have a stronger team, the result is only going to go one way.

We put our first mark on the game early, with a push down the right to Annabelle who crossed it in to Seb, putting it away in the opening 20 seconds. Following the opener, we settled in a little, moved the ball around a lot between each other - we were playing like we've been training. This resulted in more goals in the first half, mostly won from passing and crossing than brute force kicking the ball from range, although Obie and Aarin did pick up one each that way.

Going into the second half with a 6-0 lead was a great place to be, although the team lost a lot of discipline in the second half. This led to a loss of structure in the back, and eventually conceding a goal, leaving Obie as the 2nd half keeper in a 1-on-1 situation which the opposition took full advantage of.

Player of the match this week goes to Savik, with encouragement for Annabelle.

Both played on opposite wings and dominated in possession, supported others when not on the ball and were ruthless when trying to win the ball back.

Final thoughts for the game and the games to come: A win was definitely coming today, and it was an easy win. Going up against the teams at the top of the table, we need to be much more controlled in our positioning, passes and touches. We have the potential, and I've seen it happen on the field in this and other games, but it needs to be there more. This is definitely going to be an exciting season!

Player of the Match: Savik

Encouragement Award: Annabelle

U13/5 vs St Patricks SC

Kings Langley SFC 1 - St Patricks SC 4

A tough day at the office against our 2024 Grand Final opponents.

We started off competitive, but we kept losing focus on the field. We left St Pats players unmarked too many times, and a reluctance to track back in defence left large holes in the middle of the park. With our midfield understaffed and our defence left exposed, the end result was inevitable. St Pats was too strong a team to provide this many gifts and still expect to walk away with any points at the end of the game. While it is undeniable that this week's performance was a large improvement on the previous week, there is still much left to work on.

Shout to Monty as Player of the Match. He was constantly in motion in the first half, trying to mark one of their dangerous mid-fielders out of the game. His persistence in chasing the loose ball also saw him pick up a well-deserved goal. He donned the keeper's jersey in the second half, and his hard work between the sticks kept us in the game longer than we probably should have been.

Player of the Match: Monty

U14/3 vs Prospect United SC

Kings Langley SFC 2 - Prospect United SC 3

O35/5 vs Quakers Hill Tigers

Kings Langley SFC 2 - Quakers Hill Tigers 1

This was a hard, physical game. Things started out nice enough, but that changed as the game wore on.

There were some early chances from both sides, but we soon showed that when we slowed the game down and passed the ball to feet, we looked far more dangerous than they did. It seemed that the referee wasn't keen to interrupt the game with his whistle, and the gloves started to come off.

The physicality lifted significantly, including some agricultural challenges, and it became harder to maintain control of the ball as a consequence. After we took the lead at 2-1, the last 10 minutes of the game were intense as Tigers threw everything at our goal, and we turned back everything they had.

A win continues our strong start to the season, but with 14 rounds still remaining it's obvious that this is still early days.
