## U7/4 vs Quakers Hill Junior SC

Great game today by everyone against an undermanned Quakers Hill. Big thank you to Marco and Wolf who stepped in and took on the goal keeping duties for the opposition. On top of keeping for the other team in the first half, Marco scored his first goal of the year.

**Player of the Match:** Marco

**Encouragement Award:** Wolf and Christian

## U8/6 vs Minchinbury Jets Green

The kids played really well together, showing great teamwork and making some impressive passes throughout the game. Our defence was solid, with Tiana blocking several goal attempts. Emma was goalkeeper in the first half and made some fantastic saves, and Athena backed her up brilliantly in the second half with strong goalkeeping of her own. We had a few good chances to score but, unfortunately, just couldn't get the ball into the net this time.

**Player of the Match:** Aryana

**Encouragement Award:** Tiana and Emma

## U10/6 vs Parklea SFC

The opposition was very heavy handed in their tackling, the ref seemed to be biased in this area as our team was called out for being heavy handed in tackles with the opposition being given free kicks and our team weren't. Apart from that issue the referee was fair.

**Player of the Match:** Aliyah

**Encouragement Award:** Branden

## U13/5 vs Quakers Hill Tigers

### Kings Langley SFC 1 - Quakers Hill Tigers 3

A tough game against a team that wasn't any more skilful, but was definitely hungrier and more organised.

We started the game strongly with some excellent passages of passing, finding the player in space and moving forward in attack. The passes weren't always going to where they needed to be, but the vision for the pass was just what we had practiced at training.

We lost a little bit of focus as a team, and it was at this point that Tigers started to get the better of us. We jumped into tackles a bit too much, didn't mark up as tight as we could, and didn't run back in defence as much as required. When we had the ball we looked great, but without the ball we weren't as organised as we needed to be in order to beat a team like Tigers.

Overall, we played better than the score would suggest. The last two games have seen a significant uptick in individual effort from each member of the team, and a willingness to get stuck in. It's our organisation and attention to the game around us that is costing us, and we still have 2/3 of the season to turn that around.

Shout outs to Yara as Player of the Match who excelled when given the opportunity to branch out from central defence into midfield, and to Elijah as the Encouragement Award winner for his persistence on the field and fight for the ball.

We started this game in barnstorming fashion, opening the scoring inside the first 5 minutes of the game following some deft passing, fancy foot work and a cracking shot. This early goal seemed to make us complacent, and we spent the next 30 minutes chasing our tails. Parklea raced to meet the ball where we sat back to wait for it to arrive. We were sluggish while they were hungry. We looked good when we started stringing some passes together, but our decision making kept letting us down. They had the better of the chances on goal, and were eventually rewarded when an unlucky deflection on a shot put the ball out of reach of our keeper. That goal put a rocket under us and we started to fight back. Towards the end of the half, a strong and persistent run down the right hand side, a cross and a neat first touch finish put us back in front leading 2-1 into the half time break.

The second half was a much better performance. We knocked the ball around with more consistency, defended with more effort, and won more of the 50-50 balls. As is traditional, when things get tight out came the niggles as a few Parklea players started to use more force than necessary to try and win back or hold on to the ball. Things got close towards the end, but cooler heads prevailed and Kings came out on top when the final whistle sounded.

Another gritty and grinding win. It wasn't pretty, but 3 points is 3 points.
