U5 Sharks vs Minchinbury Jets

Not provided

U6 Kangaroos vs Ropes Crossing Strikers White

The team has already showed great improvement since last week, with lots of big runs across the field and some great passes amongst the team. A special shout out to player of the match, Kurt, who scored his first ever goal, then followed up with another one. Encouragement award goes to Kayara who put in lots of effort and made some great tackles throughout the game.

Player of the Match: Kurt

U7 Development 3 vs Newbury Bulls SC

The team put in a fantastic collective effort in this week's game.

The first half was highly competitive, with both teams showing great energy and enthusiasm. Our players worked hard to stay involved and began to demonstrate much stronger team coordination and commitment.

In the second half, the team truly came together. Positioning and teamwork improved significantly, and the players started creating more scoring opportunities. It was great to see their confidence grow as the game progressed.

Overall, it was a great performance, showing clear improvement, excellent effort, and outstanding team spirit from all players.

Player of the Match: Aaron Veer Singh Bali

U8 Development 4 vs Prospect United SC

Great game this week.

Lots of great team work, plenty of passing and lots of good defence.
Great job by everyone, very hard to pick a player of the match.

Player of the Match: Antonio

U9 Development 4 vs Prospect United SC

The game was tight but some great pass and team effort by the team. We defended really well.

Player of the Match: Ayan

U10 Development 7 vs Ropes Crossing Strikers White

U12 Div 3 vs Prospect United SC Blue

Kings Langley SFC 2 - Prospect United SC Blue 19

A challenging match this week, but one that highlighted exactly where we need to focus as a team. The effort was there right until the final whistle, and there were moments where the boys showed real determination under pressure. It's clear we've got plenty to work on at training positioning, communication, and staying switched on, but that's all part of the process, especially with a group still building combinations.

The positive is that everyone kept turning up, competing, and supporting each other, which is exactly the attitude we need. These are the games that build resilience, and if we take the lessons from this one and put in the work during the week, we'll come back stronger.

Player of the Match: Sebastian

U13 Div 3 vs Prospect United SC

Kings Langley SFC 8 - Prospect United SC 5

There was a bumpy start to the game as we conceded an early penalty goal from an accidental handball in the box. But the team didn't let that discourage them at all and we soon came back to make it 2:2 at the end of a close first half.

The goals started flowing more freely in the second half with both Savik and Sebastian scoring and some good assists from Heath and Cooper. We then managed to stay in the lead due to our improved defensive coordination and a series of solid saves from goalkeeper Ali who showed off his skills for the first time.

We were all delighted with our first win of the season. Well done team. You should be proud of your efforts.

Kings Langley SFC 0 - Riverstone Schofields 6

Another rough day at the office and it is hard to argue with the result. With only 11 players available for the game, playing without rest or substitution was always going to be a difficult ask on a warm morning. There were some promising signs early, but the marking was not tight enough when Riverstone had the ball. They were able to take quite a few shots on goal, and despite some quality work between the sticks, the first goal felt inevitable. Rivo handled the transitional play much better than we did, and were far better prepared to take advantage of counterattacks. Once we lost a player to injury in the first half, leaving us with only 10 we were always going to be up against it for the rest of the game.

The half time talk focussed on how vital it was to work hard for both yourself and your teammates. This was reflected in the effort levels in the second half. There was a much improved intensity, although the lapses in concentration around marking and tracking back to disrupt counterattacks were still there. The effort showed that the will was there to keep going, even if the struggle was too much with the reduced numbers.

We learn more from the challenging games than we do from the easy ones, and there are plenty of things to take away from this game to work on and improve.

Congratulations to Elijah as Player of the Match with a mammoth effort in goals, with many significant saves that kept Rivo at bay and working hard throughout the match.

Player of the Match: Elijah

U15 Div 2 vs Newbury Bulls SC

Kings Langley SFC 1 - Newbury Bulls SC 0

Today the team showed up to play and put on quite a display. With 1 on the bench the boys all had to dig deep and many played a lot more minutes than they thought possible. But with some attitude adjustments they rallied together to grind out the win.

A solid start and a cracking goal from Tommy that was overturned and disallowed, would see the mental resilience get tested early in the game. The team held their heads high and pressed on with the task.

Brae covered a lot of Metres and pressed hard and could be heard lifting the boys. Muhammad, Brian, Jet & Ryan a solid backline that shut down many attacking plays.

Lucas, Tommy, Brae, Josh & Dylan all pushed the midfield to exhaustion and completed a lot of passes forward for scoring opportunities for CK and Brody.

Great support play from the whole team today. It was a great display of soccer.

Kaden had another cracking game in Goals and came out to punish their midfield late in the 2nd half, which seen Lucas step into goals to hold the fort. Congrats boys on your 1st Clean Sheet for the season.

Overall it was great to see the team lift and play as 1 unit today. Win, Lose or Draw we will roll as 1 .

Player of the Match: Tommy

O35M Div 4 vs Blacktown Workers FC

Kings Langley SFC 3 - Blacktown Workers FC 2

A replay of last year's Grand Final, this promised to be a great match and did not disappoint.

We started off slowly again, with the same sloppy passing and sluggishness off the ball as last week. This allowed Workers to apply pressure early through their big men in the midfield and fast men up front. Their persistence was rewarded as Workers drew first blood in the game. This forced us to lift our game. We began to move the ball around a little better and talk to each other more. It was this communication that organised our equaliser, as Ant was fed the ball into space with his back to goal. A timely shout to knock the ball back to the advancing midfield enabled Ant to lay off a perfectly weighted pass for Troy to belt a cracker in from outside the box. The rest of the half had some shaky moments with a desperate goal-line clearance and defending a lot of corners. However, we went into the half 1 a piece.

After a now traditional half-time motivational speech from coach Joe, we went into the second half with everything to play for. There was improvement across the board, with more on-field chat, better movement and greater effort to get the ball back into our possession. In a move that could have come straight from a training ground routine (if we ever trained), Matt scuffed a free kick in a dangerous position, confusing everyone as the ball flew low and straight into the penalty box and right to Brad's feet. Brad was able to trap the ball, swivel and smash it into the top of the net, giving Kings a well earned lead.

There was a lot of the second half still to go, and Workers weren't giving up without a fight. They kept pushing forward hard and defending with some very robust tackles. Again we scrambled in defence, and last ditch tackles and some classy glove work kept us in the fight. Workers kept feeding their fast men up front, and the strategy eventually worked as their young, fast striker ran through and past several blue shirts and put one in the back of the net. This set us up for a tense last 15 minutes.

We put everything into moving the ball forward, and while we weren't getting much help from the referee with some clear fouls in the box, justice prevailed as a Workers defender turned the ball into his own net with a mistimed header from a cross.

In the end 3-2 was a fair result and we look forward to the return round in 9 weeks' time.
