U5 Sharks vs Rooty Hill FC

We're super proud of the U5's that took to the field today. Great work Apollo & Omar!

Thankyou to Rooty Hill for supplying us with a few extra players to boost our numbers.

We are still working on boosting our confidence and teamwork- but hey, it's only our third game ever!

Looking forward to getting our full team on the field and having some fun in the games to come.

U6 Kangaroos vs Doonside Hawks

The team keeps getting better each game!

There were some great tackles and plays throughout the game and everyone put in a solid effort.

Joey gets player of the match with lots of runs down the full field.

U8 Development 4 vs Workers FC

Very evenly matched game this week.

Lots of back and forth but we weren't able to find the back of the net. Lots of good passages of play in both attack and defence.

Great job by Eesa today who never stopped running making sure he was there in attack but would turn around and sprint back to help in defence.

Good sportmanship by Wolf who joined our opposition to even up the numbers.

U11 Development 3 vs Marsden Park FC Red

Must love the highs and lows of football. An evenly contested game right from the opening whistle with both teams at different stages holding the ascendancy for long periods, where both defences came under fire. In the same respect, when the opportunity presented itself, counter attacking play was fast and ferocious although through the opening stanza, neither side were able to take advantage and score the opener.

The opener finally came in the latter stages of the first half, a strong effort from Marsden Park, got the better of Ethan in goals and despite our best efforts we were unable to find the leveller prior to the break.

I challenged the boys at half time, to earn the right to play our football and dig deep, and to their credit, they responded in spades.

Ethan was strong as Iron in goals, Daniel, Matteo, Blake and Rylan were dogged in defence ensuring that Marsden couldn't add to their half time advantage, Ezra, Nate, Aiden, Omar and Frankie were all class through the middle, letting the ball do the work, while Brandon and Harvey were persistent in defending from the front, ensuring no easy outs for the Masden Park defence.

Mid way through the second half, after some brilliant one and two touch passing, Frankie found Ezra in space just outside the box and we were able to find a deserved equaliser. Honours even in the end after a hard-fought contest.

The never give up and never quit attitude of this side is to be commended, and with the family and loved ones in attendance, it was once again a fantastic atmosphere for the team.

Plenty to be proud of, and once again, a performance that showed the heart and resilience of this team.

Well done KINGS!

U15 Div 2 vs Quakers Hill Junior SC

Kings Langley SFC 2 - Quakers Hill Junior SC 1

A well balanced competitive match today playing Quakers Juniors. Both teams piled on the pressure in attack and defence. But the Never Give up Attitude of Kings Langley was on display and the boys secured the win with a 69th minute goal right before full time to win.

Massive shoutout to the whole team as they all played a lot of minutes, some until complete and utter exhaustion. Great communication all game and positioning against a quality side. We tested their keeper many times, found the uprights & crossbar more than the net, showing we are creating and executing well.

We look forward to the Bye next week to rest up and recover from a couple weeks with a short bench of subs.
