U5 Sharks vs Newbury Bulls SC

Awesome game team! We can see you making improvements each week, with progress in your understanding of positioning, listening to the game leader and most importantly team work! Player of the Match goes to Apollo for his consistently amazing effort as our highest goal scorer.

Player of the Match: Apollo

U6 Kangaroos vs Glenwood Redbacks

A good matchup this weekend. The team put in lots of effort and maintained pressure, particularly towards the end. Player of the match went to Aariv for excellent passing and Joey with the encouragement award for some great plays and goals. Each week the team are getting better and learning to play together as a team. Well done!

Player of the Match: Aariv

U7 Development 3 vs Quakers Hill Tigers

Not provided

U8 Development 4 vs Minchinbury Jets

Another tough game against a side that was physically bigger than us. Lots of great defence from everyone. Great goal to Luca straight after half time.

Some good crosses from out wide and a couple of close shots on goal. Just need a couple of things to fall into place and we will begin to hold our own.

Player of the Match: Luca

U9 Development 4 vs Workers FC

The match was a tough one we started off short players and no subs but the team keep on turning up for each other and made some really good passing and defending .

Player of the Match: Zachary

U10 Development 7 vs Marsden Park FC Red

Great effort from our team. Loving seeing our players really giving it their all - especially as for a few of them it is their first year of soccer.

Player of the Match: Emma

U11 Development 3 vs Parklea SFC

After two tough weeks it was great to see the lads bounce back into form with a convincing performance and a clean sheet. Strong from the off and showing a level of desire to win individual duels was evident early. Ezra and Aiden were pulling the strings through the middle, opening the Parklea defence up almost at will with some great passing through the lines. Unable to make the most of the early ascendancy the game was stuck at a stalemate.

Nate's long-range effort well saved and turned onto the bar before Rylan found row Z in the stands blasting over from close range. The look on his face said it all. Parklea tried mounting attacks on the counter, but it was a quiet first half for Ethan in goals, with Matteo, Daniel and Brandon strong and resilient at the back. All even at the break.

A simple half time message, win your duels, earn the right to play our football and stay patient. Harvey went in goals in the second half for the first time this year and even though didn't have a lot to do, when called upon made the right decisions and ensured our clean sheet remained intact.

The pressure valve would've been at capacity when the dam finally cracked, Parklea determined in defence, but a great through ball by Nate found Frankie in a bit of space, he then skipped to the outside of his defender, took a touch to give himself some space before basting from distant cleaning the cobwebs out of the top corner, leaving the keeper with no chance. A worldie to open his account for the season.

Running down hill from that point, Omar would have given the backs nightmares with his trickery on the ball, Nate again rattled the bar from range, and a host of other efforts came close to doubling the advantage.

It wasn't until late, a well taken corner from Matteo, and calmness in the box from Aiden saw a chip from Rylan sail over the keepers' head and into the back of the net, to see him also open his account for the year. You can't replace that smile.

Thank you again to the fans who turned up for this side once again creating a fantastic atmosphere, and a special thanks to Emma from the U10s for filling in for Blake this week. A reward for effort team, keep that energy, keep that desire and nothing is impossible. Great Effort!

Player of the Match: Frankie

U11 Development 6 vs Glenwood Redbacks

U13 Div 3 vs Lourdes FC

Kings Langley SFC 4 - Lourdes FC 2

It took a little while to find our groove this week. Our forwards were well marked by the opposition which made it difficult for us to make progress deep into their half and, despite some solid defence from side, the opposition managed to sneak in an early goal. However, we weren't deterred and kept our energy high.

After adapting an our play to figure out a way through their defence, we managed to put them under pressure, resulting in goals coming our way. After gaining the lead we looked more comfortable and our defenders continued to diffuse the opposition attacks. It took an amazing long-range shot over the keeper's head for Lourdes to get their second goal. Marshall provided some great support in defence by always being ready and in a position to back up his team mates. This earned him the player of the week award.

There are few things for us to improve on from this match but, overall, it was a solid performance from the whole team and we got a well-deserved result.

Player of the Match: Marshall

Kings Langley SFC 3 - Marsden Park FC White 3

This game came hot on the heels of a 0-0 draw against the now-upgraded demolition experts Glenwood. The previous week had shown the team what was possible when they played with heart and played as a unit instead of individuals.

This season had been a struggle to begin with, and we were now up against a team that had beaten one of our early opponents that had in turn comfortably had our measure. This was always going to be a tough match. With a full squad plus additional support from U11 to pad out the bench and get exposure to the full field, there was going to be no excuse to give the game everything.

The first half started strong, with both sides probing in attack and resolute in defence. Ultimately, it was Marsden Park that claimed the first mark on the scoresheet. It didn't take long for our own efforts to be rewarded and the scores levelled. The game continued to move from one end to the other at breakneck speed, but the Kings defence held up strong, and the midfield and front line continued to pile on the pressure. That hard work was rewarded with a second goal, the outcome of a solid through ball and a cheeky chip over the goalkeeper to put the ball in the back of the net.

Half time was a reminder to stay the course, keep marking the opposition tightly, and have faith in each of your teammates.

The second half resumed with more of the same contest, as the ball moved from one end to the other. Kings were able to stretch the lead to go 3-1 up. The game wasn't over though, and Marsden Park kept pushing back for a result. An unfortunate deflection off a corner gave them a sniff, and a smart through ball saw Marsden Park even the score. What followed was some quality scrambling defence from Kings to keep their threats away from the ball and prevent quality shots on goal.

There were some dicey moments, but in the end the spoils were shared, and in this coach's opinion the team should be proud of how they played and of the end result.

Congratulations to Monty as Player of the Match, which was well deserved following his hat trick of goals. Special mention to our support from U11 Ethan and Nate, and extra special mention to Ethan who put his hand up to fill in as keeper for the last 15 minutes of the game after our second half keeper suffered a finger injury.

Another quality effort from the team, and a demonstration of what they can achieve when they play together and play with heart.

Player of the Match: Monty

U15 Div 2 vs Prospect United SC

Kings Langley SFC 4 - Prospect United SC 3

If the phrase “Never Give Up” could have a screenplay, then today was it. Playing against the team that beat us in last years Grand Final was always going to be a test of our mental fortitude. Playing without any subs for 70 minutes added another challenge. But wow, just wow.

The first half seen a solid back and forth game between equally matched opportunities, and we were lucky Prospect didn't find the net with many missed opportunities.

The 2nd half though we conceded a couple of goals and were down 3-1 with less than 15 minutes to play. Brae was leading the troops today and was still Staying Positive barking at the boys to Stay positive there's still plenty of time.

Soon the team lifted and put in some huge defensive challenges which frustrated their attack.

Jetson, Ryan, Tommy & Muhammad locked down the back and finally we started seeing some well placed long balls for our mids/forwards to attack, Josh ran good positional play. Lucas, Brian, Troy and Dylan in the midfield worked hard to get the ball to Brody who scored 1 back. Quickly Brae scored the equaliser to make it 3-3 but we weren't done yet. With some great movement and skillful ball work, they found Brody again up front who hustled his way through many defenders to score what ended up the winner.

They never gave up. Brae led them all game and never gave up encouraging his teammates, who all followed his voice and we could see them all lifting each other when it mattered most.

Super impressive to watch the commitment when they were most tired to play their best football. Congrats to the whole team as you all deserved the Player of The Match award 🏆

Player of the Match: Muhammad

O35M Div 4 vs Marayong FC

Kings Langley SFC 0 - Marayong FC 5

A night to remember for all the wrong reasons.

This was a very strong Marayong side that were deserved winners on the night. They were simply better on the park, and full credit to them as they earned the 3 points.

Having said that, the scoreline was not a full reflection of the game. Marayong caught us off guard went 2-0 up inside the first 10 minutes. The first goal capitalised on a wayward pass when playing out from the back, and the second goal was the result of an offside trap gone wrong. After that early poor start, the game settled down. Marayong were still always a threat, but we began to get their measure and had our own shots on goal.

It was an even end-to-end battle before a cruel deflection off a free kick from outside the box saw the score tick over to 3-0 before the break.

The traditional half-time spray from Joe wasn't required this week. The effort and the vision was there, we just weren't getting the rub of the green as through balls were off by just a fraction, and the ping-ponging ball wasn't bouncing our way in 50-50 situations. While the game wasn't completely out of reach, realistically the second half was all about playing with pride for the badge.

Unfortunately, the second half did not start well with an unlucky own goal in the opening minutes. However the boys did not give up and continued to throw everything at it. The game became a little spicy as challenges from Marayong became stronger and later. Despite some scuffles, Kings remained focused on ensuring that if Marayong was going to get the win, they were going to have to keep earning it. Another own goal later in the match put the result beyond doubt, but it didn't stop the effort and the display of pride on the field.

In the end, the score might show 5-0, but three of those goals had nothing to do with Marayong. Forewarned is forearmed, and Marayong will find the return fixture considerably more challenging.
