U5 Sharks vs Rooty Hill FC Black

We were so lucky that the sun came out and dried out the field a little to squeeze in our game this weekend! It was a tough match though, and with only three players available we found it a challenge to maintain energy for the entire 30 minutes. Thankyou to Rooty Hill for sharing players with us, they showed great sportsmanship. Player of the Match goes to Aiden for his commitment to staying on the field and in the game!

Player of the Match: Aiden

U6 Kangaroos vs Marsden Park FC

A tough match for the team, we only had 3 players, but the other team were kind enough to lend us one of theirs until the rest of the team arrived. Some great plays and runs by the team. Congratulations to Spencer for receiving player of the match.

Player of the Match: Spencer

U7 Development 3 vs Prospect United SC

A well-performed game. There were clear improvements in positioning and energy. Also great to see several players showing emerging skills and bringing strong drive to the game. However needs to work on improving the consistent coordination among the team.

Player of the Match: Riley

U8 Development 4 vs Marayong FC

Not provided

U9 Development 4 vs Marsden Park FC

We started off slow in the first half but in the second half we we started to kick the ball around and made couple half chances.

Player of the Match: Finn

U10 Development 7 vs Plumpton Oakhurst SC

U11 Development 3 vs Marsden Park FC White

Back-to-Back for the first time this year couldn't have come at a better time with a bye next week before the long weekend and then Gala Day.

A strange sort of game with the ball being out of play for large parts making it hard to gain and maintain any real momentum. When we did keep the ball in play, Ezra, Omar and Blake were able to control the game through the middle, but it was an individual run from Nate followed by a great cut ball across the box with Frankie the benefactor to see us take the lead.

Dan and Brandon were again strong at the back meaning Ethan had an exceptionally quiet first half in goals. Rylan seems to have found his spot at right mid with another strong performance. 1 nil up at the break.

The second half was again very stop start. Nate doubled the advantage early in the second stanza with a strong run and shot that was never going to be any other than a goal. A mix up at the back midway through the second half, saw Harvey all alone vs their striker and despite his best efforts was unable to keep it out.

With the game drawing to a close and Marsden chasing an equaliser, it was Matteo with a massive chase and challenge to keep our slim advantage.

As Marsden Pk pressed for the equaliser, a turnover and quick counterattack saw a strong shot from Frankie parried away by the keeper and with Nate first to react, he was able to tuck it away into an empty net doubling his account for the day and ensuring a comeback wasn't to be.

I feel like I say this every week, thank you parents and families for the support, once again yesterday, it was fantastic to see the support coming from the "away end" making a wonderful atmosphere for these legends to once again shine. Great result lads!

Player of the Match: Nate

U11 Development 6 vs Quakers Hill Tigers

Kings Langley SFC 2 - Quakers Hill Tigers 7

Today's result didn't go our way on the scoreboard, but this was honestly one of the proudest games I've coached all season.

After our indoor training session this week, the focus was simple, hold formation, trust each other, and play as a team. For the first time, the boys really brought that onto the field, and the improvement was massive.

A huge shoutout to Kabir, who scored both our goals today after getting out of his own head and backing himself. That's growth.

Will H. Player of the Match was put into a different position and out of his comfort zone, he absolutely took control!

Honestly, every single player contributed today. The defensive line improved, our shape improved, and for the first time in a while, the boys looked like they truly believed in what they were doing.

If the boys keep their formation, trust each other, and play with the same teamwork and effort they showed today, the wins will come naturally.

Hold your heads high, keep improving and you will turn it around. Football is a team sport. Nobody wins alone and nobody loses alone. We build each other up, not tear each other down.

I am so proud of each one of them.

U13 Div 3 vs Marsden Park FC

Kings Langley SFC 1 - Marsden Park FC 3

There was some anticipation going into this match as we were facing Marsden Park who are sitting on top of the ladder.

Marsden Park took the field with an attacking formation that had four players up front, which we hadn't played against before. This meant we couldn't play our usual style and had more players dropping back to help out with defence. We did this job nicely by denying our opponents the space they needed to play the ball and managed to keep them scoreless for the first half. We also managed to exploit their weaker back line to take a few shots at goal. Unfortunately, these did not quite go our way and the score was nil all at half time.

Less than two minutes into the second half Xander found himself in the middle of the pitch with plenty of space so he took the opportunity to line up a long range shot that was perfectly placed over the keeper's head. Spirits were high as we took a 1:0 lead.

It didn't take long for Marsden Park to come back though as they found some of the space in our back line which we had denied them in the first half. This was all the opportunity they needed to add a couple of goals.

We put together some great attacking moves of our own and, again, had a couple of our own opportunities at the other end, but we couldn't quite find the back of the net.

Overall, this was an entertaining and tense match that would have been a lot closer if we had managed to make the most of our chances. We had a solid defence against an attacking team and created many scoring opportunities at the same time. Amay stood out in defence with some great tackles that earned him the player of the match.

Despite the score, I came away from the match feeling even more optimistic about our upcoming fixtures considering how well we compared to the top team in our competition so far.

Player of the Match: Amay

Kings Langley SFC 1 - Blacktown St Patricks SC 4

After two weeks of hard-fought draws, this game brought us back to earth with a thud. Over the last few years, St Pats has been a benchmark for us. They are a team that we know we can beat, but they are strong enough that we can only do so when we play at our best.

The game started well, with both sides trading possession across the field. St Pats soon caught the team napping, as unmarked players in our defensive half were able to dominate possession and score. St Pats continued to press forward, and when they found the energy to run while Kings walked, they had free players to score again. St Pats then saw out the half with a very well taken corner that beat everyone and ended up in the back of the net untouched.

The halftime team talk was a reminder that we all needed to work for each other, and that without that extra effort the game would be out of reach. The second half started with a renewed vigour.

The game moved from end-to-end, and while St Pats had the better of the chances the half was not going to go all their own way. Kings had their chances too, with a couple hitting the woodwork and other shots a fraction too wide. Unfortunately, St Pats were able to score again. Kings earned a penalty towards the end of the match, which was calmly dispatched by Layla and restored some pride in the score.

Congratulations to Layla as Player of the Match, who executed well on her pre-match instructions to defend from the front and also track back to help the midfield. Special mentions to Lexi who did an excellent job in an unfamiliar position in the back line for a large part of the first half, and Elijah who stepped up for a strong shift in goals for both halves.

A big part of football is learning from the tough games. We will dust ourselves off, build on the experience, and next week we go again.

Player of the Match: Layla

U15 Div 2 vs Marayong FC

Kings Langley SFC 0 - Marayong FC 3

Unfortunately today we seen possibly our worst display of discipline from some players which led to a poor performance as it brand down the morale of the team.

We did see some great passages of play and some solid chases and some amazing saves. However it wasn't enough and we gave the Bottom of the Ladder team their first win of the season.

We get a couple weeks break to rest up some injuries and recover as well as a good talk is needed to reset our attitude and discipline for the remainder of the season.

Player of the Match: Ryan
