U5 Sharks vs Workers FC

What an amazing game back with a full team of five after a few weeks off! We are playing with so much more confidence and resilience than at the start of the season. Special mention to our players of the match, Apollo for being our master goal scorer and Lincoln for his sportsmanship.

Player of the Match: Apollo & Lincoln

U6 Kangaroos vs Workers FC

The game was very close. Some great passing and determination from the team and lots of close goals against an evenly matched team. Player of the match goes to Joey for dusting himself off and getting back on the field after taking a fall.

Player of the Match: Joey

U7 Development 3 vs Prospect United

U9 Development 4 vs Marayong FC

This round we had two games with a catch up game first 1 was in the afternoon which we tired our best and the second 1 we turned up to play a lot of good passing and goal saving couple good shots on goal.

Player of the Match: Ricardo, Sebastian, Aura

U10 Development 7 - BYE

U11 Development 3 vs Ponds FC Yellow

Good to be back after nearly a month since our last competition game between byes, weather and gala day. Starting strong, Nate and Ezra controlled the game through the middle and using the width well, Rylan and Frankie were able to get around the outside of the defence earning the right to have the ball in the positions we wanted to. Harvey was dogged defending from the front and was unlucky not to get on the scoresheet early. Despite our early pressure, it bore no fruit and the best early chance came with a long ball from deep in Juniors defence, and a well struck shot rattling off the base of the post. Ethan's positioning made the angle tight and quick reactions from Dan ensured we were first to the rebound ensuring we kept our clean sheet intact. Omar's injection on the left caused plenty of grief for defenders and a great through ball saw Frankie with a sight at goal that was well saved and turned away from the keeper. From the proceeding corner, and a scramble in the box, Aidan was quickest to react with a well struck volley off his left to leave the keeper with no chance as we finally took a deserved lead. As the half closed out, no real clear-cut opportunities for either side, 1 up at the break.

The second half again, seemed to be one way traffic, with Blake leading the way through the middle and creating chances for himself and those around him. Counter attacks seemed Juniors best way of getting forward, however strong as always defensively Brandon, Matteo and Dan were sturdy as a brick wall ensuring it was a quiet second stanza for Ethan in goals. Nate's quick reactions led to our only goal in the second half, cutting out an errant pass, driving into the box and calmly finishing to double our advantage. Despite our best efforts, it seemed we'd left our shooting boots at home leaving a few out there as the game wore on. None the less, a solid performance by all, a great way to come back after a lengthy break and no coach ever has complained about a clean sheet! Well done boys, and a special thanks as always to the away end, creating plenty of noise and creating another fantastic atmosphere for the lads.

Player of the Match: Blake

U11 Development 6 vs Marsden Park FC Red

U12 Div 3 vs Doonside Hawkes

Kings Langley SFC 1 - Doonside Hawkes 1

The boys put in a fantastic effort today, finishing with a hard-fought 1–1 draw against Doonside. Every player worked for each other, never gave up, and showed great determination from the first whistle to the last.

We faced a real challenge during the match, with two injuries leaving us without any substitutes for a period. The boys dug deep, adapted, and kept competing despite being down on numbers.

The result, however, wasn't the highlight of the day.

One of our teammates suffered a significant injury, and what happened next said everything about this team. The boys gathered around him, checked on him, wished him well, and stayed at the field long after the game had finished to support their mate.

That's what being part of a team is all about. You can teach passing, positioning and tactics, but you can't teach genuine care, respect and mateship. That's something special.

As a coach, moments like that make me prouder than any scoreline ever could. Every single one of these boys should hold their heads high today. Not just because of how they played, but because of the kind of young men they're becoming.

Well done, boys. I couldn't be prouder.

Player of the Match: Royce

U13 Div 3 vs Ponds FC Yellow

Kings Langley SFC 1 - Ponds FC Yellow 9

It was a difficult lead up to this match with several players not feeling 100% in the week before as well as fewer substitutes than we're used to.

We got off to a good start with plenty of energy and a nice goal 10 minutes into the game to make it 1:1. We also made very few mistakes throughout the match which was pleasing to see as it shows we're continuing to learn from our previous games. Unfortunately, after a few decisions didn't go our way, we started to let our frustrations out in ways that weren't constructive for the team. Something to work on for the rest of the season.

Some good plays from our midfielders were a highlight. Cooper had a good spell in which he managed to sustain some pressure on the opposition which ultimately gave us the opportunity for Max and Seb to create our goal. Jessie is also continuing to grow in confidence with every game and had some great runs up the side line.

Congratulations to Savik on player of the match for his overall performance up the front. He had plenty of energy the entire game and was always in the right position to create chances for us.

Player of the Match: Savik

U14 Div 4 vs Marayong FC
Proudly sponsored by Delta Blinds

Kings Langley SFC 5 - Marayong FC 0

This game was another solid test of where the team sits in the competition as they were up against Marayong, who were just two points ahead of them on the ladder. The struggle of having no subs on the bench for Kings was lessened as Marayong only had 9 players at kick off. Given how hard we pushed Tigers the previous week when we had only 10, this game was no guarantee of an easy time.

From the kick off, Kings pushed hard to assert their authority. The Marayong team was willing and hard-working, and on a number of occasions in the first half forced us to scramble in defence. They had fast wingers and physically strong midfielders who were capable of holding people off from the ball. We were able to use our numerical superiority to our advantage though, and our midfield team passed the ball forward with intelligence and attacking intent. It was only a matter of time before a through ball to Monty paid dividends and the team was 1-0 up. It wasn't long before Layla was able to add to the score through a well-taken shot. The first half ended at 2-0.

At half time it was clear that the team was more tired than they needed to be. They were reminded that with extra players on the field they should let the ball do the work, and be smarter with their passing. They took this advice to heart, and in the second half there was a great improvement in passing between each other and taking advantage of the space. The end results were clear, with more goals to Monty and Layla, and a very impressive long-range shot from Yohann which sailed over the Marayong keeper's head and dipped under the bar. It's important to note that the success of this game was built upon a solid defensive foundation, as the backline absorbed many Marayong attacks, with the support of the midfield.

Congratulations to Liam as Player of the Match, who played possibly his best game to date, intercepting many passes, making a high number of tackles, and chasing players down like never before. Shout-outs to Gabe for his solid-as-a-rock performance as the central defensive midfielder, and Mohib for his solid distribution from the midfield.

Player of the Match: Liam

U15 Div 2 vs Quakers Hill Junior

Kings Langley SFC 1 - Quakers Hill Junior 3

A slow start to the game today seen Quakers Juniors get a 3-0 lead by halftime.

A reset and change of our formation seen a lot more opportunities to score and we managed to claw 1 back and hit the woodwork a few times but the rush was too little too late and we were defeated 3-1.

Unfortunately we have a pattern of starting games too slowly and it's hurting our chances of winning matches as much as can score goals, we can't come from behind every week.

The 2nd half performance was great and if we can start games like that and put 2 halves together like that, we have every chance of competing with every team this season.

Let's see if these changes can help in the coming weeks

Player of the Match: Tommy

O35M Div 4 vs Quakers Hill Tigers

Kings Langley SFC 3 - Quakers Hill Tigers 1

This was our first encounter with Tigers for this season after they forfeited the midweek game due to not having enough players available. The boys were keen to build upon the momentum of the past few weeks with hard-fought draw and win against Marsden Park in previous weeks. We had a packed bench with 7 subs, giving the team the luxury of limiting minutes for those players still returning from injury.

The opening of the first half were very nervy as we turned over possession too easily, forcing the team to defend more than they had hoped to do. Tigers relied a lot on physicality in the midfield and long balls through to their forwards. We were able to keep them out of the truly dangerous areas, although there were a handful of dicey moments. We didn't really threaten their goal too much in the first half but still kept them honest. Going into the break the scores were locked at 0-0.

Coach Joe had a few choice words at half time, as he reminded us that we needed to be smarter with our passing, and that we needed to start playing with more passion and intent. The halftime talk paid almost immediate dividends with some clever passing to feet and movement off the ball put Daz through on goal and with enough space to calmly slot the ball past the keeper. Tigers pulled one back after a challenge in the box saw them awarded a penalty. We countered with two goals from corners, with both Alistair and Art being in the right place at the right time.

This win was definitely a team effort though, as everyone across the park put in a decent shift to get the result. This Tigers team is better than what their position on the ladder would suggest, and they made us work for it. We regroup for next week, in what is sure to be a massive test at home against a Workers team in red hot form.
