

Weekly Round Up

Round 11, 2026

[Wonder Coffee Roasters](#)

U5 Sharks vs Marsden Park FC

It was certainly one of our tougher games this week. However we still tried our best, and focussed on what was more important than the score- teamwork and having fun.

Player of the Match: Aiden & Omar

U6 Kangaroos vs Ponds FC Pink

Not provided

U7 Development 3 vs Workers FC

The team played a challenging match and showed strong determination and effort throughout the game. There were a few good attacking moves, including some well-combined passes.

Overall, it was a valuable learning match that highlighted the need for further development in teamwork, focusing more on passing with less reliance on individual runs to improve overall performance.

Player of the Match: Pashmeena

U8 Development 4 vs Ponds FC Yellow

Not provided

U9 Development 4 vs Marsden Park FC

The match was tough we had alot of good passing and opportunity to score there was a lot great defending.

Player of the Match: Phoebe

U10 Development 7 vs Ponds FC Pink

Very disappointing game for the kids to have to experience. Constantly being pulled at pushed and even had their legs trying to be kicked out from behind them after they had run past. On top of that it would be the worst refereed game we have experienced in 3 years of coaching. The only good part about the game was the fact that the kids kept playing the best they could given the circumstances and I couldn't be more proud.

Player of the Match: Andrew

U11 Development 3 vs Ponds FC Gold

Early starts and chilly mornings, what better way to start your weekend? The match began and it seemed we had missed it entirely, either still warming up or possibly waking up, Tigers however, did not. It seemed inevitable that we would concede early despite our best efforts in defence. Fortunately, Ethan was a man mountain in goals, pulling off some massive saves early, most importantly a double effort, firstly diving down to his left, the rebound falling to their striker which was turned away with his feet. A huge double save which seemed to spark us into life. From that point, something clicked and we were on. Controlling the ball and building pressure well, we gained the ascendancy. Deep into the first half, our dominance finally paid off, with a cracking corner from Ezra to the near post saw Nate open the scoring with a well-placed finish.

Almost instantly, we were back on the attack again. Harvey looking certain to open his account, if not for a great last-ditch tackle to turn it away. Another great corner, this time cut out was cleared, only as far as Blake who fired his shot like it was out of a cannon missing the oncoming defenders and was blasted into the back of the net. A screamer to open his account for the year. A third goal in the space of 5mins when Frankie cut out an errant pass, playing through to Nate who coolly finished for his brace which saw us three up at the break and running downhill.

The second half was hotly contested. Matteo was a juggernaut at the back, making last ditch tackles, showing control well beyond his years as a centre half. Supported superbly by Rylan and Brandan, collectively they were making it a pretty quiet second stanza for Ethan. Tigers however, finally broke our defence midway through the second half with great cross that was well put away. That was the end of the scoring, but certainly not with a lack of trying. Aidan and Omar, showing their class were strong on the ball and both had chances to extend the lead in the closing stages, alas, it seemed the ball was unwilling to find the back of the net. A brilliant team performance today and one that these lads should all be extremely proud.

Player of the Match: Matteo

U11 Development 6 vs Workers FC

U12 Div 3 vs Prospect United SC Blue

Kings Langley SFC 0 - Prospect United SC Blue 5

Not provided

U13 Div 3 vs Ponds FC Gold

Kings Langley SFC 0 - Ponds FC Gold 1

This was a very close game with evenly matched teams. The only difference came 5 minutes in with a shot that deflected into the goal after hitting the far post. What followed was an entertaining match with both teams successfully absorbing the pressure. Marshall did an amazing job in goals with some solid saves.

This game felt as good as win to me as we played Ponds Gold in Round 1 and lost 10:1. To come back with a such a narrow loss this time shows how far we've come as a team. It was clear we've become much more cohesive in both attack and defence since the first time we played together.

Well done to Xander for his player of the match performance. He had a great game in defence and was instrumental in shutting down many shots on goal.

Player of the Match: Xander

U14 Div 4 vs Doonside Hawks Maroon
Proudly sponsored by Delta Blinds

Kings Langley SFC 1 - Doonside Hawks Maroon 3

With Doonside sitting mid-table, this was a good opportunity to build upon the momentum of the previous week's emphatic win against Marayong. The start of the game was very promising. It didn't go 100% Kings' way, but the team had the majority of the possession and looked the most dangerous with and without the ball. There was some good passing, strong defending, and energy in attack. After 10 minutes, Doonside unleashed their attacking weapon and the whole complexion of the game changed. Tall, fast, and strong, he was a force unto himself. As soon as he took the field, the Doonside approach was clear - get the ball to the big kid as quickly as possible and let him get to work. In the 15 minutes he was on the field in the first half, he flipped the game on its head and helped Doonside race to a 3-0 lead, despite everyone's best efforts.

A change of goalkeeper at half-time presented a new opportunity to attempt to nullify the efforts of the Doonside attack through some additional man-marking tactics. Gabe and Elijah switched positions, with Gabe moving into goals and Elijah into the central defensive midfield slot, alongside Yohann.

This enabled both defensive midfielders to double-mark the main threat. This rebalanced the game, and handed some of the ascendancy back to Kings. With the threat of the big striker removed, the game became even again. Yohann and Elijah worked well as a 1-2 marking combo, freeing up space for Lexi and Mohib to feed Monty and Layla up front. At the same time, that work bought extra time and breathing space for Jill, Yara, Liam and Hamish to handle everything else that Doonside could throw our way. Rounding out the story was the solid performance in goal from Gabe in the second half, who read the play well to come off his line to clean up the loose ball, as well as some quality reaction saves. Amongst all of that, the team was able to drag back a goal to claim a moral victory with a 1-0 second half win.

Special thanks to Nate, Blake and Frankie from U11 who provided essential assistance from the bench, enabling people to take short breaks to get their breath back before getting back into it.

Congratulations to Hamish for his Player of the Match performance, completely owning his side of the field in defence as well as roaming forward to take goals from the opposite corner in attack. Shout out to Liam for continuing his good form in the centre of defence. His ability to read the play and intercept passes grows by the week as he adds another skill to his arsenal, as well as shout-outs to Monty for his relentless chasing of the ball up front and Yara for her countless tackles and interceptions in the box to prevent Doonside from increasing the score. This is another game where the scoreline doesn't accurately reflect the growth and improvement that the team is showing each week. The competition is tough, but other teams are starting to learn that Kings are not going to be easy to beat.

Player of the Match: Hamish

U15 Div 2 vs Blacktown St Patricks SC

Kings Langley SFC 1 - Blacktown St Patricks SC 3

The scoreline didn't reflect the performance from the team today. Charging hard from the first whistle we were in the battle all through the 1st half. Even across the park in challenges, dribbling, passing, shooting, defending, we took the break at 1-1.

Halfway through the 2nd half saw our keeper taken out in a challenge on the ball to which they scored and the goal was given.

The boys rallied hard after this and tried to get one back. The injury was bad enough Brian had to be removed from the field and a swap in keepers quickly. Brian had the most amazing game in goals against the top of the table team!!

They scored from a corner and the match finished.

Today's effort was Outstanding and was a very winnable game until a questionable decision saw them take the lead. The boys came from the field saying they are a beatable side. It was good to see so much positivity come from a losing score.

Player of the Match: Brian

O35M Div 4 vs Workers FC

Kings Langley SFC 0 - Workers FC 3

Sometimes you just have to accept that you were out-played and the better team on the night won.

We have built up a strong but civil rivalry with Workers over the past season and a half. The games have always been hard and physical but played in the right spirit, and they were the perfect bellwether games to help us gauge how we were playing at that point in the season. This particular game was always going to be a challenge, as we were missing a few players across the defence and midfield, and a handful more players were struggling with injuries. Still, we had got the job done in times past so there was no reason we couldn't do it again if we worked hard enough for it.

Workers predictably were fast and hard out of the gates, and put a lot of pressure on the defence in the early minutes. This pressure paid off as Workers were able to pounce on a mixup in the backline and get on the scoreboard. We tried to respond, but ended up pushing it too hard. We forced passes that weren't there, and held on to the ball too long searching for the perfect option when a quick pass was needed. The team scrambled well in defence, but ultimately was undone by Workers' superior movement off the ball that gave them enough opportunities on goal to keep extending the lead.

Shout out to Matty L who stepped in at the last minute to don the gloves for the match, dodgy hammy and all. He put in an immense shift with countless quality saves, bombing punt kicks that travelled 2/3 of the field, and the ★★★★★ self-belief to verbal the Workers strikers when they dropped their bundle in the box no matter what the scoreboard said. It's good for the soul to be knocked back a peg or two now and then, and it's all extra motivation as we seek to even the score against ladder leaders Marayong next week.
