U11 Development 3 vs Ropes Crossing Strikers Yellow

A great game for the neutrals, plenty of goalmouth action and a heart stopping finish to boot. A tough day at the office for defenders. A strong start to proceedings saw us have a host of early possession in the final third. Early chances to Frankie and Aiden had us on the front foot. It wasn't long before we had our opener, a wonderful corner from Ezra made its way through the defence Finding Omar free at the back post. One up.

That seemed to spark Ropes into life and within 60 seconds of the restart, we were picking the ball up out of the back of the net. The game ebbed and flowed from there, while we looked good going forward, for whatever reason we seemed shaky and unsure at the back. Try as they might, Brandon, Dan, Matteo and Rylan came under constant pressure with Ropes Crossing executing the counterattack to perfection. Another mix up at the back forced Ethan into a great save, unfortunately the Ropes strikers were quickest to respond seeing them grab the lead heading into the break.

I challenged the boys at half-time, and they came flying out of the blocks after the break. Matteo with a great interception played a great through ball to Nate who fired from range bringing the scores back level. Throwing everything into attack, Blake and Frankie pressed hard, with Aiden and Nate following suit, but again the Ropes Counterattack saw us come undone. Another wonderful set-piece from Ezra turned into a scramble and saw Omar grab his brace, a great reward for effort. 25mins had elapsed in second stanza with the scores all tied up, here I was thinking that was it. I have to admit I was wrong, another long ball from Ropes had us at sixes and sevens at the back, an unfortunate missed time clearance, a goal mouth scramble and Ropes took the lead for the third time. Chasing again, one last push, one last hurrah. A corner, seconds ticking away, Ethan up from the back, every blue shirt in the box. A driven corner from Ezra, narrowly misses everyone, a wicked deflection and off their Keeper into the back of the net. 29minutes 57seconds, that had to be it..... surely? Not going to lie, there was a sigh of relief when the full-time whistle blew.

A reward for effort, and never giving up, the sideline noise was outstanding once again, thank you all, it surely gave the lads the drive to go on, and for that we are forever grateful. From the technical area, I'm not sure the ticker can handle to many days like these. The never quit attitude of these boys is something to be commended, brave as always, determined till the end. Bravo lads, Bravo.

Player of the Match: Aiden

U11 Development 7 vs Town Rangers FC

A great effort from the team today! The kids should be really proud of the way they played and the attitude they showed throughout the game. They continued to work hard, support each other, and most importantly, had fun.

It was great to see how much this group has grown as a team. They are such a fantastic bunch of kids, and it has been a pleasure getting to know them all throughout the season.

 **Player of the Match:** Noah

 **Encouragement Award:** Aryana

Congratulations to Noah on a well-deserved Player of the Match, and to Aryana on receiving the Encouragement Award. It was also wonderful to welcome Aryana back after being away for a few games.

Shout out to the players we borrowed this week from the u11/3 team. Without you we would have been playing down. Your presence was much appreciated.

The coach of the opposition mentioned that their team has been undefeated all season, which makes the effort from our players even more impressive. They took on a very strong side and should be proud of the way they competed.

Great work everyone — keep up the effort and team spirit! 🏆 🙌

Player of the Match: Noah & Aryana

U13 Div 3 vs Prospect United SC

Kings Langley SFC 2 - Prospect United SC 2

This game was the one that got away. Last week we came back from 2:0 down to equalise shortly before full time. This week, the roles were reversed and we gave up a 2:0 lead in the last 10 minutes of the match. A frustrating result for all, but the final score was probably a fair reflection of how even the teams were throughout.

Well done to Marshall for player of the match. He made some good saves while goalkeeper and gave a lot of energy, running back to defend the counterattacks while he was in the back line. He also provided encouragement towards some of the other players.

Player of the Match: Marshall

Kings Langley SFC 0 - Marsden Park FC Red 3

This was a very physical game. It's hard to play attractive football when players are getting shoved off the ball in tackles.

Last time around this game was a one-sided affair and the team was keen to build upon last week's momentum and try and balance the ledger. While everyone put in a strong effort, it was always going to be difficult to reverse the result of our last meeting. There's little to fault as everyone played well across all positions. Sometimes in football we just have to accept that the results aren't going to go our way on the day.

There were some very encouraging signs for the team during this game. Players adapted the formation to suit what was happening in-game without checking in with the coach first. This is great as it demonstrates player awareness and a confidence to make their own decisions. The team also showed a strong desire to stand up for themselves and each other when the opposition got overly physical. In the end, the result didn't go our way, but the team continues to develop as a group which is fantastic to see.

Congratulations to Obie as Player of the Match. This was Obie's first game back after quite a few weeks out with injury. While his minutes had to be carefully managed to make sure his injuries didn't recur, he put in a solid performance both with and without the ball. It was like he had never left. So great to have you back!

Player of the Match: Obie

U15 Div 2 vs Prospect United SC

O35M Div 4 vs Parklea SFC

Kings Langley SFC 3 - Parklea SFC 0

Once again, it was derby time! There's always a little extra spice when Kings Langley and Parklea meet, and this game was no exception. Parklea was desperate to avenge their 6-1 pounding in the first round, and we were keen to make sure they stayed rooted to the bottom of the ladder.

Parklea decided to try Route 1 football right from the kick-off, but it was Kings that took the ascendancy early doors, with a sweetly struck shot from Alistair from wide outside the box that slotted neatly into the far top corner. Kings were up with less than 5 minutes on the clock and ready to play. It was mostly one-way traffic from there, as we took every opportunity to take a crack on goal. There were quite a few shots off-target, but it's the effort that counts. There were a few lapses in concentration across the park that gave Parklea a sniff of an opportunity, but they didn't really threaten our goal. Towards the end of the half, a massive drop kick from Matt in goals and clever flick-on from Dan put Alistair into the clear again to slot it neatly past the keeper to double the advantage.

The half time motivation speech from Joe was about staying the course, ignoring the niggles, and as always, earning the right to take the 3 points. In the second half we picked up where we left off, dominating possession but not taking our chances in front of goal. Parklea started to show their frustration with the timing of their tackles. However, Kings stayed calm and strong, and a peach of a cross from Luke on the byline was met with the head of a rising Matt L in the box who steered the ball past the keeper. 3-0 was where the score stayed, and Kings walked away deserved winners of the match.

Shoutouts this week to Matty L and Bairdy for their shared clean sheet, Alistair for his brace, Brad for not falling over and Dan for not getting hit in the head. Overall, a top effort from the team and things are starting to look very good in the lead up to finals qualification.
