

Weekly Round Up

Round 15, 2026

[Wonder Coffee Roasters](#)

U5 Sharks vs Ponds FC Pink

Not provided

U6 Whales vs Glenwood Redbacks

Another solid effort by the team with no subs and lots of running and determination showed by all players. The team keeps getting better each week which is really good to see. Shoutout to Joey for player of the match and Aariv for the encouragement award. Great to get another win and a good soccer played by both teams.

Player of the Match: Joey

U7 Development 3

The team started the match with great energy and confidence, showing good improvement in their passing and teamwork. The team worked hard against the strong opposition team making some excellent saves and showing strong defensive play within the first half.

There were many positives to take away from the match. The team's passing, effort, and teamwork continue to improve, and with the same positive attitude and determination, they will keep developing.

Player of the Match: Hussain

U8 Development 4 vs Minchinbury Jets

U10 Development 7 vs Marsden Park FC White

Not provided

U11 Development 3 vs Parklea SFC

A tale of two halves. 9am kick off, 3 degrees and surprisingly warm in the sun, what more could want from a winter sport? We started well enough, but for some reason it wasn't clicking as we moved up the field and into the final third. It seemed frustration crept in along with individualism, meaning we moved away from what has worked so well for us throughout the season thus far. This led to our undoing midway through the first stanza, an errant pass, a missed tackle and a ball across the boss, had Ethan stranded and the Parklea striker made the best of the opportunity putting it away. The best of our chances came from a free kick just outside the box from Nate which rattled the bar.

The conversation at halftime was simple, be patient, do it together. From the kick off you could tell something in the mindset had shifted, Brandon, Daniel, Matteo and Rylan were on rotation through the backline ensuring Parklea weren't going to get us again on the counter. Ethan's communication started to come through leading the back line from his box. Nothing was going to break them down. Harvey defended well from the front with determination and had great chance that was well saved. Aidan seemed to be on a mission, linking the play well and getting some great balls into the box. A great cross from Nate finally found Omar and a deflected shot fell into the path of Blake who calmly finished. This gave the boys belief. A quick corner routine soon after and a cracking first time ball into the box from Ezra is always dangerous, Frankie got adept touch at the near post which found its way to Omar with all the time in the world to finish.

With Parklea chasing, there were gaps appearing in their defence, Aidan makes a crucial Intercept at the top of our box, beating the oncoming defence prior to knocking a great pass to Omar who then unleashes a wonderful through ball which had Nate through unmarked. Unselfishly, he cut it back for Frankie to put it away into an empty net. A great show of teamwork and moving the ball at speed. An exceptional second half and why we call these lads KINGS. Once again, exceptional noise and support from the away end, 3 games to go, let's make every minute count!

Player of the Match: Rylan

U11 Development 6 vs Quakers Hill Tigers

U13 Div 3 vs Ponds FC Yellow

Kings Langley SFC 2 - Ponds FC Yellow 3

After two close draws in our previous two matches, we went to Jonas Bradley looking for an overdue win. It was going to be a challenge as we were facing a team that has gone undefeated so far this season. However, I had full confidence we were capable of bringing home the victory as long as we worked together and played positively.

We had a great start to the match. We dominated the first half with some great runs which challenged their defenders, resulting in our first goal only 10 minutes into the game. Our defence was also great at dropping back to cover the counter attacks. When we scored our next goal early in the second half, hopes were high that we would come away with a win if we could just keep up the momentum.

Unfortunately, the game turned around midway through the second half with two quick goals from the opposition that came from good tactical play to get around our otherwise solid defence. Their final goal came with only 5 minutes to go.

The team was bit deflated after losing the lead so close to the end, but they should be really proud of the way they played today. Everyone put in their maximum effort. We pushed the top of the table team for the full 60 minutes. No other team has come that close to beating them all season. The result was also a massive come back from the last time we faced them only 5 weeks prior, which is very encouraging.

Well done to Vivaan for his player of the match performance.

Also, a shout out to both goalkeepers, Marshall and Ali, for some great saves that kept us in the game right up until the end.

Player of the Match: Vivaan

U14 Div 4 vs Quakers Hill Tigers

Kings Langley SFC 0 - Quakers Hill Tigers 2

This promised to be a closely fought match with Tigers only one point above us on the table. With 12 players available, the desire was there to reverse the results from the previous round.

Kings started with the majority of the possession and looked most dangerous in attack and more composed in defence. We passed the ball better, dribbling through the middle and sending long balls over the top. Tigers were often left scrambling in defence and clearing the ball at the last minute. Kings were unable to put themselves in the right positions to score, but still looked the most threatening in attack. Unfortunately, as is the way in football, the advantage goes to those who can best capitalise on their opportunities. Tigers had only two genuine shots on goal in the first half, and got full result from both of them.

The half-time talk was a reminder that the game was not lost, and working together as a team was essential if Kings was going to get a result from this match. The second half started with an increased intensity, with more passing and attacking play than the first half. Kings were a threat for the entire half, but were unable to break through the scrambling Tigers defence, and the score remained the same at full time. Congratulations to Jill as Player of the Match. Her outstanding efforts at left back locked down that side of the field, and her refusal to give ground and desire to show no quarter to her opponents meant that Tigers did not want to move the ball down our left hand side. Special mention to Gabe who took on the role of goalkeeper for the entire match as he was too ill to run. He put a solid shift in between the sticks, and there was very little he could have done for either goal.

Encouragement Award: Jill

U15 Div 2 vs BYE

Kings Langley SFC - BYE

O35M Div 4 vs Newbury Bulls SC

Kings Langley SFC 0 - Newbury Bulls SC 1

Some games you just don't deserve to win, no matter how hard you work. This was one of them.

Right from the start, our first touch was poor, making it difficult to retain possession. When we did manage to keep the ball, we made many rash decisions with our passing, going for the flashy through ball or over the top rather than the closer, safer option. When we did get up to the other end, we were unable to execute and put the ball away. It was only in the final minutes of the first half that we started to choose the basic triangles as our passing lanes. Once we started doing that, we looked unstoppable, but it was too little too late in the first half to make a decisive impact on the game.

After a well-deserved spray and gee-up from Joe at half time, the boys started with a renewed energy. It was a much-improved effort, and the ball moved around with more intent. We still couldn't get the breakthrough we needed, and as the game wore on the risk grew that the game could be snatched from our grasp at the last minute. Unfortunately, with less than five minutes left, a scuffed shot from outside the box agonisingly drifted past the outstretched hands of our diving keeper to give Newbury the lead. We adopted a more attacking formation for the final few minutes creating a shot or two on goal, but the last-ditch effort was to no avail.

We dust ourselves off, regroup, and keep fighting to secure our spot in the finals.
