[Wonder Coffee Roasters](#)

U5 Sharks vs Ponds FC Gold

Brilliant defence today boys! The sun was out (even a rainbow too) and all three players tried super hard to keep the ball away from the Ponds goals. A few muddy slips and we still stayed committed, well done!

Player of the Match: Lincoln & Aiden

U10 Development 7 vs Ropes Crossing Strikers FC White

Really tough game for our team, but tired from the double header for the weekend! Some great saves from our goalies Jack and Emma in each half that definitely stopped the score being higher!
Great effort from our team overall.

Player of the Match: Athena

U11 Development 3 vs Ponds FC Gold

Normally I take a moment at the end to thank the boys and the fans, but this week I feel it imperative to say this first. To the parents, grandparents, siblings, friends and any club person that stands on the sideline, thank you, thank you for your encouragement and support of these lads, it never goes unnoticed. To the boys, regardless of what happens on the pitch, your commitment, heart, love and respect for football has always and will always make us so very proud of you all.

A demanding contest from the opening whistle with both sides throwing everything into the early exchanges. Brandon, Matteo and Ethan started strong at the back, with Ponds looking to press forward. An early corner gave us the advantage with Ethan using his height at the front post, a goal mouth scramble which he was the benefactor of gave us an early lead. Ponds then took it up a notch and we were there to match it stride for stride. Harvey in goals was massive, pulling off a huge double save to keep the game all locked up. Frankie, Nate and Ezra were everywhere, defending from the front, supporting the defence just everywhere. Blake played almost every position in the first half, in the end needing to cover for Matteo at CB who had to come off with a quad injury. Hotly contested, throughout the rest of the first half, it was a mistimed clearance that saw Ponds draw level just before the break. Half time with emotions about to hit boiling point.

I can never question the commitment of these boys, and the second half proved me right yet again. Dan and Rylan threw themselves into the contest in the second half fighting for everything and taking multiple hits in the process, all the boys did. In the truest fashion, they showed how football is meant to be played. Ponds took the lead midway through the second half on the counter, Harvey pulling off another great initial save, unfortunately we were unable to get to the spilt ball in time. Not to be outshone, Aidan, who was massive yet again, picked the ball up near the centre circle and drove forward beating defenders at will before calmly slotting it beyond the keeper. Heading towards full-time. One from ponds in the closing stages, Harvey pulling off a fantastic initial save, the boys calling for offside to no avail. A harsh lesson in playing to the whistle.

Try as they might, we just couldn't find the final pass, the shot needed or the bounce of the ball going our way. Inevitably, the fulltime whistle went and that was all she wrote. Busted and bruised, emotions were high after the final whistle, however in the truest of form, regardless of what transpired and what was said, these boys shook hands, cheered the game and the supporters. Never let your heads drop lads, you consistently show us all why you will forever be known as KINGS!

Player of the Match: The Squad!

U13 Div 3 vs Marsden Park FC

Kings Langley SFC 0 - Marsden Park FC 3

This was our postponed washed out game from two weeks ago. We were looking to improve our sprits after the slow and rainy match the previous morning, and the warm afternoon sunshine we had this time around looked promising.

Marsden Park are a tough team and we were playing at their ground so it wasn't going to be easy. We had much better control of the ball this game, but they turned up ready to punish our mistakes. We defended general well, closing down a lot of their chances, but just a few times we let the energy drop and failed to get the ball out of our own half.

Unfortunately, this gave Marsden Park all the time they needed to gather their troops and press the attack resulting in those three goals against us.

Congratulations to Aarin for player of the match. He was instrumental in many of the defensive efforts and also made several nice plays in midfield.

Heads up everyone. With a bit more teamwork we'll come back stronger next week.

Player of the Match: Aarin

U14 Div 4 vs Parklea SFC

Kings Langley SFC 7 - Parklea SFC 1

Being a catch-up game on a Sunday and only 24 hours after a tough Saturday fixture, it was always going to be hard to field the full complement of players for the local derby against Parklea. Despite only having 10 players, this was a match Kings was confident of winning even before realising Parklea could only field 8 players themselves.

Kings started strongly, knocking the ball around well and taking the lead after only 5 minutes courtesy of a well-finished runaway goal from Layla. A period of dominance from Kings followed, however, we were unable to capitalise on the scoreboard during this time, despite many promising attempts on goal.

As is often the case, if you don't take your chances your opponents do, and that's exactly what played out. Parklea managed to slot the ball through on the halfway line to the fastest player on the field and there was no catching him! 1-1.

Kings knuckled down for the remainder of the first half producing a spate of excellent chances. Just before the break, two quick goals from Yohann saw Kings kick clear for a 3–1 half-time lead.

The second half opened up even further for Kings as Parklea started to run out of legs. The likes of Jill, Hamish and Yara frequently turned defence into attack by driving forward through the vacant midfield region and setting up the strikers. In fact, Jill and Hamish were only millimetres away from scoring themselves.

Yara was excellent at nullifying Parklea's main threat before he got up to full speed, and Liam launched one of the biggest clearances of the season with a towering left-foot volley which instantly put Parklea on the back foot.

Elijah didn't have much to do in goals during this match, but he communicated well with the defence and was quick to distribute the ball from goal kicks to catch Parklea on the hop.

In the end, Yohann finished off his hat-trick, Mohib and Lexi picked up a goal each, and Obie got himself on the scoresheet for the first time this season to round out a comprehensive 7–1 victory!

Great work everybody!

Player of the Match: Yara
