

Weekly Round Up

Round 17, 2026

[Wonder Coffee Roasters](#)

U5 Sharks vs Newbury Bulls SC

It was a nice sunny saturday morning for the 2nd last game of the season however with 1 short meant we only had a small team today with the bulls happy to play a 3v3 game.

Aiden, lincoln and Omar, as always put in their best effort and managed a great defence able to stop a number of goals while having fun playing as a team and making the other team work for the win. Keep up the good work team. Go kings!!

Player of the Match: Lincoln

U6 Whales vs St Patricks SC

U7 Development 3 vs Marsden Park FC

What a fantastic way to end the season with a 7–0 win for U7s this weekend.

The team supported each other brilliantly and showed great teamwork, playing with the same energy and enthusiasm until the final whistle. Throughout the season, the team gradually showed some really good improvement. There were a few lapses along the way, but everyone kept learning, kept trying, and kept coming back each week with enthusiasm and a willingness to improve. It has been a fantastic season, full of great moments, teamwork, and plenty of fun.

A big shout-out to all our U7s.

Everyone can be very proud of what they have achieved this season!

U11 Development 3 vs Polonia Rams FC

I reckon the fans enjoyed this one. Polonia started short and the lads took full advantage pressing forward at every opportunity. Pepping the Polonia goal didn't seem to be working, and it was from Ethan's first touch in goal that we inevitably took the lead. Short passing from one end to the other saw Ezra with a clinical final ball putting Nate through for the opener. Harvey was again unlucky after Brandon put him through on goal, with his touch past the keeper being cleared narrowly off the line and out for a throw in. From the throw, Aidan showed his class touch once again, skipping past a couple of defenders before calmly placing past the keeper to double the advantage.

While Polonia had additional players arrive it made little difference as these boys seemed to have a point to prove, knocking the ball around the pitch with determination and creating a hatful of chances that either narrowly missed the target or was forcing the Polonia keeper to pull off save after save. Brandon, Dan and Rylan joined the attack from the back and created space for Nate to grab a first half brace with a classy finish from outside the box. Up at the break and running downhill.

The opening to the second half was fast and furious and it didn't take long for boys to increase the advantage.

Aiden hit one from range and from a keeper spill, Frankie was the quickest to react grabbing his first for the day.

Polonia's best chance of the day came shortly after, a bit of overzealousness crept in, a quick counter saw their striker through unmarked, Dan in goals for the first time this season was forced into pulling off a wonderful save to keep our clean sheet intact. A contender for goal of the year next and from our resident CB. Matteo picked up the ball on halfway, skipping past a defender and driving toward the far-right corner, looking to whip a cross in with Ezra, Blake and Harvey in the box, has managed to mishit it perfectly sailing over everyone, including the Polonia keeper who was rooted to the spot as it sailed over his head hitting the side netting inside the far post. A Wondergoal! Omar was terrorizing their RB and after a great one two with Rylan cut the ball across the box from Frankie to grab his brace. Next from a corner, with Ethan wreaking havoc at the near post, their keeper was more focused on him than the wonder ball in from Ezra with Blake the beneficiary.

With the game winding to its conclusion the boys had one more in them and started from a goal kick, Dan to Nate, to Brandon, back to Nate, to Ezra, then to Blake, Blake to Omar, who skipped inside and played the perfect through ball for Frankie to run on to and finish clinically for his Hat-Trick. A truly wonderful team goal to cap off a superb team performance.

An exceptional return to form, after last Sundays heartbreak and in true form, the lads were gracious at full time and throughout remained respectful to the opposition and the overall game which is something to be very proud of.

Bravo lads, Bravo!

Player of the Match: Omar

U13 Div 3 vs Quakers Hill Junior SC

Kings Langley SFC 9 - Quakers Hill Junior SC 0

A great effort all round from the team this week. Although this match was a bit one-sided, it was a boost to the team's spirits to get the win after so many draws and close losses.

After we got ahead early, the team didn't get complacent and remained focused on keeping out the opposition challenges, of which there were quite a few in the tense closing minutes of the game.

It was nice that we were able to share the scoring around with Max, Vivaan, Xander, Heath and Sebastian all getting goals. There were also two more shots on goal from Marshall which nearly got him his first goal of the season. Ali also made some amazing saves in the second half which allowed us to keep the clean sheet and earned him player of the match.

Player of the Match: Ali

Kings Langley SFC 1 - St Patricks SC 0

It's always a challenge to square up against the other end of the table when you are in the lower half. We've battled against this same St Pats team for the last three years, and these games always seem to mean more. St Pats were looking to lock in a finals spot, while we were out of the running with a point to prove and nothing to lose.

It was a physical match from the start, but Kings were up to the task. No one wanted to take a backward step, and the centre of the park was a tough place to be. Midway through the first half, a perfectly weighted through ball from Yohann put the ball at Layla's feet. She dribbled past the defence and blasted the ball into the net. The rest of the half was a back and forth battle. St Pats launched multiple attacks, but all were pushed back. In return, our forays on goal were similarly shut down.

We went into half-time 1-0 up, and with everything still to play for. The second half was one for the ages. Everyone played a crucial role in keeping the ball moving, from quick throw-ins to switching the play across the field. All of the things we had worked on in training the last few weeks were paying off, as the ball moved from side to side, through balls were perfectly weighted, the defence was in the best position to clean up the loose passes and pick up the runners, and the midfield was there to both defend and attack. We thwarted every attempt on goal, pressured their defenders with our work rate and made sure that if St Pats were going to get the ball, they were going to have to earn it.

When the final whistle blew, the score remained 1-0, and the upset was complete. St Pats had clearly come into this game expecting an easy win, and they were denied with great satisfaction. Shout out to Obie as he grows from strength to strength after his recent injuries, and for the way he dominated on the flanks. Shout out also to Jill who again showed no quarter, refused to be bullied off the ball, and gave back just as much as she got (never be afraid to stand up for yourself!).

Congratulations to Yohann as Player of the Match. He organised the team around him, marshalled the troops, but also led by example. This game was a true leadership performance, worthy of the captain's armband.

Player of the Match: Yohann

O35M Div 4 vs Workers FC (Round 14)

Kings Langley SFC 1 - Workers FC 3

Midweek football can be tough on the old bones, and this game was no exception.

Over the last two seasons we've developed a strong rivalry with this Workers team, built on a mutual respect for how each team plays hard and tough while honouring the spirit of the game. This game started hard and fast as Workers attacked right from the first whistle. With a team full of younger legs, they were relentless and peppered the Kings goal for much of the first half. A combination of high pressure and desperate defence saw the majority of shots sprayed wide or over the top, although a few quality saves were required. We continued to try and push the ball out to our forward players, and there were several promising attacks that were snuffed out. However, even though the score was 0-0 at the break, it was clear that Workers had the ascendancy in that first half.

We went out in the second half knowing that the longer we could hold them out, the more likely we were to sneak a goal on the counter and take some of the pressure off. While we withstood the pressure initially, it wasn't enough. Workers used their speed with a surging run forward allowing their danger man to shake his markers and find himself free at the back post to tap in from the cross. We regrouped and looked to be more deliberate and thoughtful in attack. This put Workers on the back foot for a while, but they soon regained control of the ball and doubled their lead. Workers looked to shut up shop and close the game out. With nothing left to lose, we moved more players forward and tried to be as attacking as possible.

With around 15 minutes to go, Alistair dribbled and danced his way from near the halfway line to score with a display of individual brilliance. From this point, it was game on. Kings had the lion's share of possession and had Workers firmly on the back foot. An equaliser was on the cards, but we were also running out of time. Workers rediscovered their energy in the final minutes. a late run on goal saw a Kings defender turn the ball into his own net while attempting to steer a shot wide, in what was literally the last kick of the game. Such is football.

Lots of positive things to take out of this game. The squad available on the night worked as a tight unit and for each other. There's no shame in being beaten by the better team on the night when you've left it all out there on the field. There's still the chance to lock in finals football with two games to go.

O35M Div 4 vs Parklea SFC

Kings Langley SFC 3 - Parklea SFC 2

When you are searching for a win to secure a place in the finals with just two games to go in the regular season, it's a positive sign to come up against the team sitting at the bottom of the table. It's even better when it's a local derby.

Parklea started the game with only 10. We knocked the ball around well and held the majority of possession, but didn't really look too threatening in front of goal. By the time the late-arriving Parklea players showed up, the score was still 0-0 and we had completely failed to take advantage of the situation. From there, the half became something of an arm wrestle. Parklea took advantage of a lapse in focus in the midfield, charging onto on a loose ball, running in on goal and slotting it past the keeper. This was not how this game was supposed to go. Counter-attacks ensued, and enough scrambles in the Parklea box eventually saw a shot strike a hand , and a penalty was the result. The spot-kick was calmly despatched by Alistair, and the score was even again. The arm wrestle continued and it looked like the scores would be level at half-time. In the dying moments, Josh found himself with the ball and his back to goal. He tapped it to the side, turned and swung a leg at it. He connected with just enough force that it kept moving wide, drifting out of reach of their keeper and sliding into the back of the net. It was the perfect outcome just before half-time, and the team couldn't be happier that Josh was able to make that happen.

The half-time talk was a reminder that Josh's goal was one of those moments why us old blokes keep lacing up the boots - football, fun, and seeing your mates succeed. Regardless of the outcome, this is what it is all about. The second half was more of the same end-to-end stuff, with Parklea pulling one back and Alistair again rising to the occasion to put it in the back of the net from a corner. Finals football secured, core memories created, and everyone fired up to face whatever the rest of the season will throw at us.
