

Weekly Round Up

Round 18, 2026

[Wonder Coffee Roasters](#)

U5 Sharks vs Quakers Hill Tigers

Not provided

U6 Whales vs Marsden Park FC Red

The last game of the season was one of their best! Everyone ran hard, tackled hard and had some great runs, passes and shots. The team has come such a long way and great to see everyone have fun while learning new skills and practicing team work throughout the season. Player of the match goes to Spencer and encouragement award to Kurt. Was a nice touch to win our last game as well, rewarding the team for their efforts. Amazing job team, particularly with no subs for most of the season!!

Player of the Match: Spencer

U11 Development 3 vs Quakers Hill Junior

One final performance, one final stand, one final opportunity to give everything they've got. Never to back down, the lads gave everything from the first whistle to the last. We took the early ascendancy and never looked like letting it go. Frankie and Omar were tenacious and dogged up front and had a couple of great early chances that were well saved from the Juniors keeper, ensuring the score remained level. The opening goal came from quick thinking and a quick throw from Nate over the top of the defenders for Blake to run onto and finish on the half-volley. A classy finish and reward for effort midway through the first half.

Ethan playing his first full game out of goals for the year was strong in defence as well as going forward. Rylan and Brandon, were strong at the back, cutting out Juniors attempts as they tried mounting attacks on the counter. Juniors did find a way back into the game with the first half drawing to a close, a long-ranged effort caught Harvey off guard and ended up in that back of the net. Absolutely nothing he could do with that one. Another great performance from Harvey in goals, spoilt for choice in the position. Matteo's introduction to the game, sure things up at the back, his calmness is well beyond his years, controlling the game from the backline. With almost the last kick of the first half, our set-piece specialist Ezra knocked the perfect corner to the back post, with Aiden calmly finishing for us to retake the lead prior to the break.

Last half-time address for 2026 – Earn the moments, make sure when the final whistle goes you can hand on heart say you gave it your all! Not that it was ever in question, for the final time this year, they did. Controlling the ball well, moving it into space, playing through the lines. Creating chances when in attack and doubling down in defence. It was a fantastic team effort from the backline and into the final third. An individual effort from Nate was the only moment to trouble the scorecard. A nice one-two with Aiden near halfway before driving forward with control and purpose into the box and blasting it beyond the Juniors keeper. A statement effort and fitting for our final goal of the season.

I cannot stress enough how grateful the boys are for the wonderful support they have received over the year, the noise from the sidelines is stadium like, and even when it's the away end your support drowns out any other noise. For the boys, wow.... Your hunger, tenacity and drive has given us some of the most memorable moments throughout the season, enjoy your final off season before we enter the realm of competition in 2027. Take a bow young Kings, your spirit is legendary.

U13 Div 3 vs Marsden Park FC

Kings Langley SFC 0 - Marsden Park FC 5

We last faced this team only two weeks ago and, compared to that game, we played with much more energy this time. The score doesn't represent the increased effort we put in and there was some clear improvement. We got a but unlucky with some of the goals, and we were able to take a few shots at goal which missed only very narrowly.

Vyyom earned player of the match for using his footwork to create chances up front and taking some good shots. Amay was also great in defence, shutting down several opportunities from the opposing team. We've come a long way this season and I'm proud of the entire team.

Player of the Match: Vyyom

U14 Div 4 vs Doonside Hawks
Proudly sponsored by Delta Blinds

Kings Langley SFC 5 - Doonside Hawks 2

What a way to end the season!

The last time these two teams met, we went down 3-1 as we were caught off guard by Doonside's fast, strong and very physically mature striker. We worked them out in the second half of that match, and took that knowledge into the return fixture.

Right from the kick-off, it was clear which team was here to win. Kings took control from the start and held the majority of possession. While the threat from the Doonside danger player was ever present, we were more than up to the task. The defence absorbed the pressure of the Doonside attack, and helped the team launch counterattacks. This work put Yohann free on goal, and Kings were in the lead. Doonside doubled their efforts, and were able to even the score. A lot of back and forth ensued before Gabe followed up his shot on goal and was fouled by the Doonside keeper in the box. The resulting penalty was expertly taken by Layla, who calmly slotted the ball into the net despite being in substantial pain after having the ball kicked into her head just moments before.

This set the tone for the rest of the match. Everything Doonside threw at us, we matched. Doonside were able to score another goal, but this was more than equalled by further goals from Yohann, Elijah and Mohib. This game was decided by more than individual goals. In defence, Hamish marauded up and down the right-hand side, Liam intercepted multiple attacks in the centre, Yara cleaned up the through balls, and Jill was resolute and unstoppable on the left-hand side. Obie was powerful in attack from the midfield with incisive through balls, and Lexi showed her determination to come out on top, chasing the ball so quickly that it left her Doonside opponents shocked at her speed and aggression. Yohann mesmerised their midfield whenever he had the ball at his feet, which made it easier for him to distribute the ball forward to Mohib, Monty and Layla in attack.

Each of them took their own opportunities in attack, and they all played valuable roles in pressuring the Doonside defence, which in turn created attacking opportunities for their teammates. Elijah and Gabe shared goalkeeping duties for this game, and both also played crucial roles in the outfield. A true team effort!

Shoutouts to Monty, Elijah and Yohann for their efforts in neutralising the Doonside danger man. The coordination between the three of them was crucial to minimising his impact on the game, as well as highlighting his unwillingness to accept the same sort of physical but legal treatment that he liked to dish out. Finally, congratulations to Gabe as Player of the Match for his efforts in goal making multiple saves at the feet of their attackers, his relentless pursuit of the ball in attack, and his versatility in position out on the field, playing roles in defence, midfield and up front in attack.

The overwhelming feedback from the parents was "If only we had a few more weeks in the season. They've really started to gel as a team!" I agree wholeheartedly. This game was the perfect example of not only how far they have progressed as team this season, but also how much potential the team has, and how quickly they have all been progressing in the final weeks of the season. They are capable of amazing things every time they choose to work together. It's been a privilege to observe from the sidelines.

Player of the Match: Gabe

U15 Div 2 vs Blacktown St Patrick SC

Kings Langley SFC 3 - Blacktown St Patrick SC 3

Well it seems Coach Danny has forgotten to press submit for the past few weeks on our match reports 🙄

Our last game of the season against Top of the Table, unbeaten Blacktown St Pats. What a performance to finish the season with a 3-3 draw.

The season has been tough on all the players, with some serious injuries, many illnesses and unfortunately some suspensions too which the team battled through adversity and showed a lot of courage to continue on.

Today's match was an outstanding performance with all the players putting on the performance of their season. Winning many battles on and off the ball. Set plays, defensive stoppages, great passages of play, incredible saves by Brian who put the gloves on as keeper for most of the season after Kaden was ruled out for nearly all of it through injury.

Muhammad, Ryan & Jet as our 3 backs this season just Wow! Great footwork, timing and speed shut down their many attacks, and clearing the ball with exciting runs and movement.

Tommy, Lucas, Brae, Josh, Troy, CK and Jaxon carved up the midfields with some grinding defence, fancy footwork and long balls forward. Kaden & Brody put on a show with some amazing shots on target and near misses.

Probably one of the best plays in today's game was a free kick awarded to us outside the penalty box only a few meters from the baseline.

Jet has been working on this exact kick all season at Training and Kaden called to the coaches that Jet should take it. He kicked it with precision and finesse over the wall of defenders, curling into the top bins over the keeper.

That is why we coach. For moments like this.

Thanks team for putting in such effort to the final whistle. It's been a pleasure guiding and coaching you all this year and watching you all improve and work through some hard times. But that Never Give Up attitude that Kings Langley thrives on was shown all the way.

Who knows what 2027 will bring, but we hope they all return for an Under 16's season.

Player of the Match: Jet

O35M Div 4 vs Quakers Hill Tigers

Kings Langley SFC 3 - Quakers Hill Tigers 4

The less said about this game, the better, to be quite honest.

Kings had third place on the ladder and a finals spot locked in ahead of this round. We were up against Tigers, who were sitting second last and had nothing to play for. This was the perfect opportunity to head into the finals series with some winning momentum. However, the performance on the night was the exact opposite of what we needed.

We started the game with a deep bench and a positive vibe. That was soon shattered as the team lost track of players defensively and Tigers put away an early goal to put us on the back foot. It took this early shock to spark the team into life. We became more aggressive in attack, and after a few shots were sprayed wide or well over, Mher put one away to even the score. This became the pattern for the match. Tigers would take advantage of the team's overall lack of focus in defence, and we would have to pick ourselves up in response. Ultimately, two goals from Mher and one from Alistair weren't enough to salvage anything from the game.

It's not that we didn't want the ball and to win, but the reality was that on the night Tigers wanted it more. They were usually first to the loose ball, pushed more players forward in attack, and tracked back better in defence. Hopefully this is the wake-up call the squad needed leading into the finals. The effort will really need to lift if there's any hope of getting through the next two sudden-death matches in order to be there on the big day.
